### FAST. FLEXIBLE. FREE.

With only a few clicks, admins can now complete the full cycle of employee card issuance. Without leaving your seat, Branch will validate new cardholders, generate FDIC-insured Branch accounts, distribute personalized debit cards, and update corresponding direct deposit information. isolved provides all the necessary employee information to Branch on the backend so you don't have to.

**No paper checks.**

**No payroll hassle.**

**No paycard fees.**

Just free, integrated access to easier employee banking.
