**SCHOOL - PARENT- STUDENT
COMPACT**

We believe that the success of our education system depends on our ability to build strong partnerships, beginning with our staff, students, and parents.

STAFF COMPACT

I understand the importance of fostering a positive school experience for every child. We are committed to:

- Communicating with parents and students regarding student academic and behavioral progress.
- Facilitating a climate and culture of support and encouragement.
- Helping each student plan for life after graduation.

STUDENT COMPACT

I understand the importance of education and how it can positively impact my future of becoming ready for college, the work force, the military, or other career endeavors. I am committed to:

- Being on time and present for school each day.
- Asking for help or assistance when needed.
- Completing coursework with academic integrity.
- Taking responsibility for my own learning.

PARENT COMPACT

I understand that my child's education is essential to their success in life and will enable him/her to make decisions that can impact their future. I am committed to:

- Encouraging my student to reach their goals.
- Communicating with my child and the staff to best support them.
- Ensuring my child attends school daily.
- Being involved as much as possible to help my child succeed.
