

# A Leader's Role in Reopening

*February 23, 2021*

Before we begin:

- 1) We're recording and you'll receive a link to the recording tomorrow!
- 2) You'll also receive a certificate of attendance and links to any resources mentioned.
- 3) Use the Q&A box to ask any questions you may have.

# Mission:

Help *every* child reach their full potential by measuring and improving the interactions that matter most.

# Today's Discussion

**Cynthia Robinson-Rivers**

Head of School, DC  
Public Schools

**Amanda Alexander**

VP of Policy and Partnership  
Development, Teachstone

**Paula Polito**

Owner, Beary Cherry  
Tree

# Today's Discussion

- What are you noticing about students? What are their instructional and socioemotional needs?
- How are you responding to the needs of students and their families? Have you structured or organized the school day to meet their needs?
- What are the most pressing needs of your teachers as they return to in-person classes?
- How has your leadership evolved as a result of the pandemic? What are you doing differently? Has there been a silver lining that you will carry over post-pandemic?
- What do you need at this time from the external stakeholder community? What do you want leaders and policy makers to know?

# Building a Blueprint for Reopening

## We are your partner to help you:

- Build a plan with a focus on meaningful interactions
- Build warm classroom environments that support social-emotional development
- Build a high-quality and qualified workforce
- Build capacity to ensure equity of interactions across your program

# Upcoming Webinar

## Three Keys to Building a Blueprint for Reopening

Thursday, March 11 at 2:00 pm

The educational landscape has been transformed over the last year. As you write your reopening plan, prepare to return, or are currently already supporting in-person learning, there are still likely many challenges and unknowns to overcome. Join us for a free live webinar where we will highlight some key considerations that can help to navigate this unprecedented time, and solution sets that will support you and your program in overcoming these unique challenges.
