

# Know, then Grow: Becoming an Anti-Racist, Anti-Biased, Trauma-Informed Educator

Dr. Iheoma U. Iruka  
Chief Research Innovation Officer  
and Director of the Center for Early Education Research and Evaluation  
(CEERE)  
HighScope Educational Research Foundation

**Welcome! And a few housekeeping notes.**

# About Teachstone

- We are an educational company located in Charlottesville, Virginia
- Focused on ensuring that all students have access to life changing teachers
- We work with educators in all 50 states and around the globe
- Publishers of CLASS

# Let's Take a Poll

## How familiar are you with CLASS?

- I don't know a whole lot about CLASS
- I'm familiar with CLASS but don't use it
- We use CLASS to collect assessment data
- We use CLASS for assessment and professional development

# What is CLASS?

- Classroom Assessment Scoring System (CLASS) is the leading system for measuring and improving teaching quality
- Views and measures effective teacher-child interactions
- Aligns measurement with professional development to produce effective teaching and learning gains
- Highly researched - Proven effective in over 200 research studies

# Quick Check-In

1. Type into the Questions panel where you are from.
2. On a scale of 1-5, how are you doing today?
3. What are you most concerned about as children come back to school?

- Reflecting and planning for the future

The CLASS System

Using the CLASS System

The CLASS tool provides a standardized framework for measuring the elements of teaching that matter most to student's learning and development—their daily interactions with teachers and peers.

Watch the video below and look for the **relationships** behavioral markers.

Physical proximity Shared activities Peer assistance Matched affect Social conversation
