Webinar: What Does It Take to Create "Ideal Learning" for All Children Today?

Before we begin:1) We're recording and you'll receive a link to the recording tomorrow!

2) You'll also receive a certificate of attendance and links to any resources mentioned.

3) Use the Q&A box to ask any questions you may have.

About Teachstone

The **teacher is a guide**, nurturing presence, and co-constructor of knowledge

Instruction is

development

personalized to acknowledge each child's unique

Play is an essential element of young children's learning

Children construct knowledge from diverse experiences to make meaning of the world.

Decision-making reflects a commitment to **equity**

Principles of ideal learning Young children and adults learn through relationships

The **environment** is

intentionally designed to facilitate children's independence, exploration, and interaction

Continuous learning environments support adult development

The time of childhood is valued
