

## Water Meter Testing and Calibration Price List

Meter size	Description	Price
------------	-------------	-------

### Laboratory Tested Meters (IANZ accredited)

#### BSP Threaded inline and Manifold meters (excluding electronic meters)

15mm & 20mm	3 Flow rates	\$120.00
15mm & 20mm	3 Flow rates multiples of 5 meters *	\$52.00
25mm & 30mm	3 Flow rates	\$210.00
40mm	3 Flow rates	\$255.00

\* Multiples of 5 meters are not IANZ accredited.

#### Mechanical, Magflow and Ultrasonic Meters (excluding combination)

15mm to 50mm	3 Flow rates	\$395.00
65mm to 100mm	3 Flow rates	\$420.00
125mm to 200mm	3 Flow rates	\$450.00
For all sizes	Test rig set-up, wiring, programing & handling. (per hr)	\$100.00

#### Combination Meters

50mm	4 Flow rates	\$575.00
80mm	4 Flow rates	\$600.00
100mm	4 Flow rates	\$640.00
150mm	4 Flow rates	\$795.00
For all sizes	Test rig set-up & handling. (per hr)	\$100.00

#### Metered Standpipes

65mm	2 Flow Rates	\$220.00
65mm	Testrig Setup and Handling	\$100.00

#### All other laboratory work will be charged as below

15mm to 40mm (BSP only)	Test Rig charge out rate per hour	\$250.00
15mm to 50mm	Test Rig charge out rate per hour	\$405.00
65mm to 100mm	Test Rig charge out rate per hour	\$430.00
125mm to 200mm	Test Rig charge out rate per hour	\$460.00
For all sizes	Test rig set-up, wiring, programing & handling. (per hr)	\$100.00

### On-Site Tested Meters (Non IANZ accredited)

Domestic (15 - 25mm)	Using a certified positive displacement water meter	\$90.00
Commercial	Using a certified Ultrasonic clamp-on meter	\$290.00
NES accredited test	Using a certified Ultrasonic clamp-on meter	\$350.00
Travel & Labour on-site	Charged on a per hour bases for <b>ALL</b> on-site work	\$100.00
