

FMX PORTAL

YOUR GATEWAY TO FULLY MANAGED I.T. SUPPORT AND SERVICES

Our mission is to Create Peace of Mind for customers, ensuring your technology works when and how it's needed. The FMX Portal is an extension of our commitment to provide the best possible customer experience. In this era of digital transformation, that means making it easier for customers to get what they need, in an efficient and modern way, from anywhere, at any time, on any device.

ELEVATING YOUR SERVICE EXPERIENCE

The FMX Portal was designed with service in mind—to provide an easy-to-navigate digital source of interaction and information where you can access the details you want, whenever **you** want them.

CONVENIENCE: A user-friendly, one-stop-shop for information and interaction with Fully Managed

VISIBILITY: Transparent views into IT support cases, projects, and IT assets

KNOWLEDGE: Access to a self-help knowledge repository with documentation, articles, and more

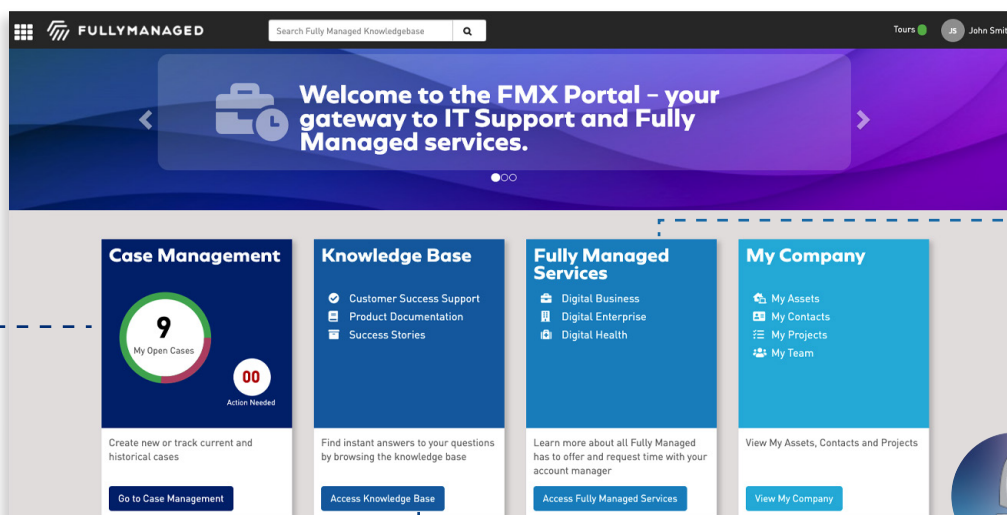

FEATURES

CASE MANAGEMENT

Log and track IT support incidents

FULLY MANAGED SERVICES
