

## ACTIVITY TIME LOGGING

### CHOOSING ACTIVITY TIME

- The RemetricHealth Provider Portal automatically tracks the time spent on each patient while viewing their information.
- When reviewing patient specific information, you have the option to choose how to count your time spent on that patient.
- The two options are: CCM – Chronic Care Management; or RPM – Remote Patient Monitoring.

The screenshot shows a dialog box with the title "Data Review Monitoring Time". Below the title is the instruction "Please select a category". There are two radio button options: "CCM" and "RPM". At the bottom of the dialog box are two buttons: "Cancel" (in a red box) and "OK" (in a grey box).

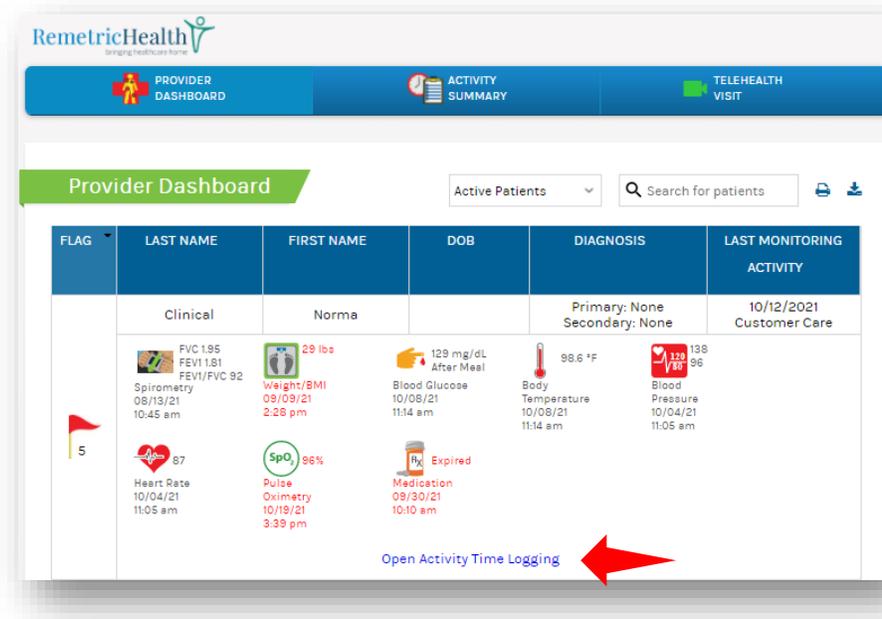

- You can set a default for all your interactions or choose each time. To set a default for all your interactions, please contact Customer Care & Support: [customercare@remetrichealth.com](mailto:customercare@remetrichealth.com)

### LOGGING ACTIVITY

- While the system tracks the time spent viewing a patient's biometric pages, you can also choose to add specific activity time for them.

# RemetricHealth

- To log an activity, go to your Provider Dashboard and search for the patient you would Click “Open Activity Time Logging.”

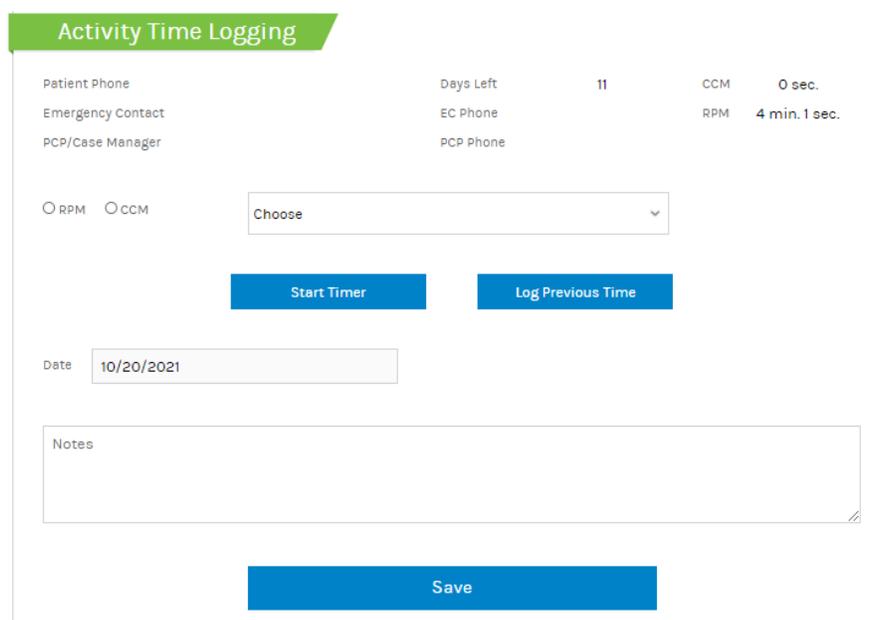

The screenshot shows the RemetricHealth Provider Dashboard. At the top, there are navigation tabs for 'PROVIDER DASHBOARD', 'ACTIVITY SUMMARY', and 'TELEHEALTH VISIT'. Below this is a 'Provider Dashboard' header with a search bar and a dropdown menu for 'Active Patients'. The main content area displays a patient's clinical data in a grid format:

FLAG	LAST NAME	FIRST NAME	DOB	DIAGNOSIS	LAST MONITORING ACTIVITY	
5	Clinical	Norma		Primary: None Secondary: None	10/12/2021 Customer Care	
	Spirometry FVC 1.95 FEV1 1.81 FEV1/FVC 92 08/13/21 10:45 am		Weight/BMI 29 lbs 09/09/21 2:28 pm		Blood Glucose 129 mg/dL After Meal 10/08/21 11:14 am	
	Heart Rate 87 10/04/21 11:05 am		SpO <sub>2</sub> 96% Pulse Oximetry 10/19/21 3:39 pm		Body Temperature 98.6 °F 10/09/21 11:14 am	
			Expired Medication 09/30/21 10:10 am		Blood Pressure 138/86 10/04/21 11:05 am	

At the bottom of the patient data grid, there is a link labeled 'Open Activity Time Logging' with a red arrow pointing to it.

- The window will expand to allow you to enter the activity. You can choose to start a timer or log a previous activity. Once your activity notes have been entered, click save.

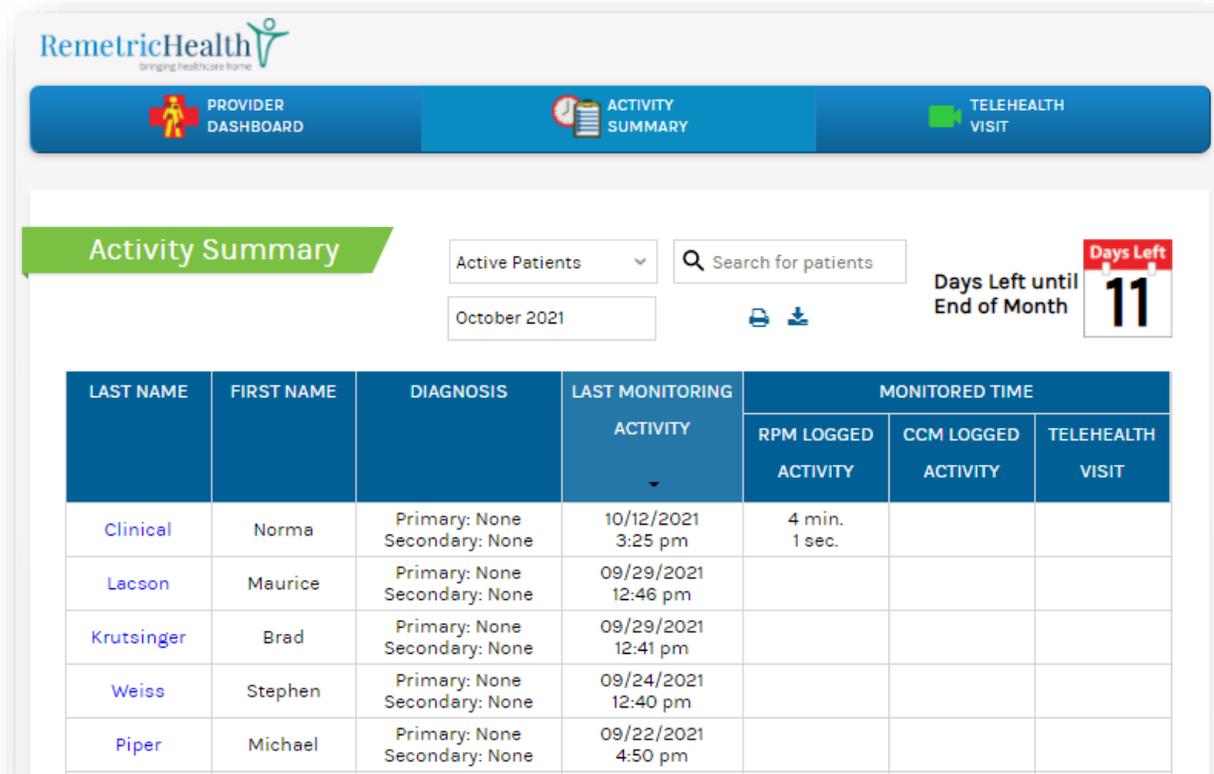

The 'Activity Time Logging' form contains the following fields and options:

- Patient Information:** Patient Phone, Emergency Contact, PCP/Case Manager, Days Left (11), EC Phone, PCP Phone, CCM (0 sec.), RPM (4 min. 1 sec.).
- Activity Type:** Radio buttons for RPM and CCM, followed by a dropdown menu labeled 'Choose'.
- Action Buttons:** 'Start Timer' and 'Log Previous Time' buttons.
- Date:** A text input field containing '10/20/2021'.
- Notes:** A large text area for entering activity notes.
- Save:** A large blue 'Save' button at the bottom.

## ACTIVITY SUMMARY

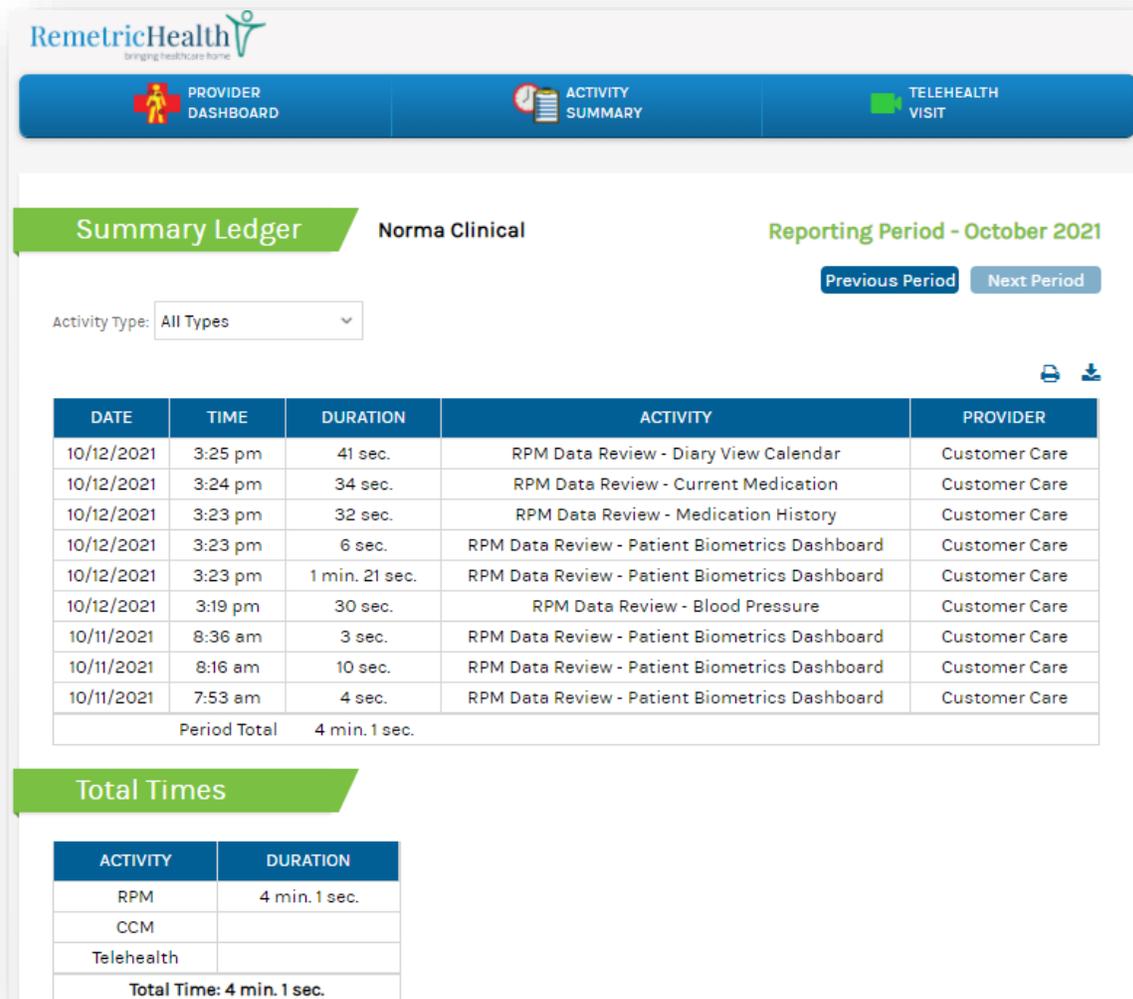

- To view monitored time for all patients, click Activity Summary on your Provider Dashboard. This will show you the patient's name, last monitoring activity and the monitored time.

The screenshot shows the RemetricHealth interface for the Activity Summary page. At the top, there are navigation tabs for 'PROVIDER DASHBOARD', 'ACTIVITY SUMMARY', and 'TELEHEALTH VISIT'. Below the navigation is a green 'Activity Summary' header. To the right of the header are filters: 'Active Patients' (dropdown), a search bar 'Search for patients', and a 'Days Left until End of Month' widget showing '11' days left. Below the filters is a table with columns: LAST NAME, FIRST NAME, DIAGNOSIS, LAST MONITORING ACTIVITY, and MONITORED TIME (subdivided into RPM LOGGED ACTIVITY, CCM LOGGED ACTIVITY, and TELEHEALTH VISIT).

LAST NAME	FIRST NAME	DIAGNOSIS	LAST MONITORING ACTIVITY	MONITORED TIME
