- Quarterly due diligence update reports, married with sales reports provide a true picture to grow your business and mitigate risks.
- Annual deep dive due diligence reviews.
- Always on due diligence monitoring, product changes, industry changes, client changes, and provider changes.
- Support your product committee with periodic reviews; documentation, expertise, helping you get to the right answers in an efficient manner.

Product Shelf Optimization (“Optimization”)

- Ensure Best Interest Advice can be provided through the best product shelf.
- Actively manage onboarding and removing products to align with today’s environment, your Advisor expertise and client needs...with the expectation of increasing revenue.
- Add products that are expected to fill a gap, grow revenue, and provide better advice, minimizing overlap and product cannibalization.
- Prepare material for product committee and provide real time answers to questions shortening decision time.
- Provider insights on the industry regarding new products, sales trends, risk points.

All in a variable cost model that can bring down your cost, improve quality, and stand the test of regulatory scrutiny.

DDW also provides Due Diligence Services and Product Development Services to Product Manufactures.

C. Client Tailored Services and Client Imposed Restrictions

DDW offers the same suite of services to all of its Broker Dealer and RIA clients. DDW does not service the end investing client, therefore investing client tailored services and imposed restrictions are not applicable.

D. Wrap Fee Programs

A wrap fee program is an investment program where the investor pays one stated fee that includes management fees, transaction costs, fund expenses, and other administrative fees. DDW does not participate in any wrap fee programs.

E. Assets Under Management

DDW has the following assets under management:

Discretionary Amounts:	Non-discretionary Amounts:	Date Calculated:
\$0	\$0	March 2020

Item 5: Fees and Compensation

Due Diligence Services Fees

Pricing for each product category

1. Product Shelf Set-Up included
2. Proactive Due Diligence..... included
3. Product Shelf Optimization..... included

Fees not to exceed \$500,000 per client and will depend on services and products being purchased. Fees are a flat fee, not an assets under management fee.

Fees will typically be billed quarterly in advance.

Clients are responsible for the payment of all third party fees (i.e. custodian fees, brokerage fees, mutual fund fees, transaction fees, etc.). Those fees are separate and distinct from the fees and expenses charged by DDW. Please see Item 12 of this brochure regarding broker-dealer/custodian.

Neither DDW nor its supervised persons accept any compensation for the sale of investment products, including asset-based sales charges or service fees from the sale of mutual funds.

Item 6: Performance-Based Fees and Side-By-Side Management

DDW does not accept performance-based fees or other fees based on a share of capital gains on or capital appreciation of the assets of a client.

Item 7: Types of Clients

DDW generally provides advisory services to the following types of clients:

- ❖ Investment Companies
- ❖ Other Investment Advisers
- ❖ Insurance Companies

There is no account minimum for any of DDW's services.

Item 8: Methods of Analysis, Investment Strategies, & Risk of Loss

DDW evaluated product risk, trend and fit.

Product Risk is determine by quantitative and qualitative analysis. Quantitative analysis reviews the metrics for a product (i.e. expenses, ratios, etc.). Qualitative analysis reviews the benefits of a product, ability to fill a client need, or the understandability.

The Trend of a product is reviewed by looking at new sales for a client firm, trends in the peer group, or trends in the industry.

Lastly, the Fit to the firm is determined. The Risk and Trend are considered, along with the client existing product line up, geographic foot print, investing client base needs, and advisor education level, to name a few.

Investing in securities involves a risk of loss that you, as a client, should be prepared to bear.

DDW does not recommend or provide advice on individual stock or bonds. DDW also does not provide advice to investing clients and does not manage money. DDW only provides Due Diligence services to firms (BDs, RIAs, Manufacturers)
