

LDI WANTS YOU TO KEEP AN EYE ON YOUR BUSINESS

Do you have a security system in place at your office or building?

LDI can help you choose the best-of-breed technology for surveillance both inside and outside your premises. Now more than ever, it is important to keep your staff, tenants, and property monitored and safe, as well as deter thieves, vandals, and trespassers.

Fisheye 360 Camera

Fisheye dome security cameras use its incredible range of 360 degrees, meaning one camera can easily cover a large scale area for general observation.

PTZ Camera

Pan-Tilt-Zoom security cameras surveillance of a large area with a single security camera. Software allows you to remote control these PTZ cameras from anywhere in the world.

Bullet Camera

Bullet security cameras offer unparalleled features and video resolution that allows for video recordings that can be zoomed in to while maintaining clarity.
