

Geodes[®] Strategic Planning

Essential Question: What are best practices for *Geodes* implementation?

Goals:

- Develop a shared vision for *Geodes* implementation.
- Analyze implementation conditions at the district, school, and classroom level.
- Determine next steps for *Geodes* implementation.

AGENDA | 3 HOURS

DESCRIPTION

I. Create a Vision

- Review key understandings about *Geodes*.
- Establish a vision.

II. Describe Current Conditions

- Identify stakeholders.
- Determine depth of teachers' knowledge about the science of reading.
- Explore small group reading instructional practices.

III. Conduct a Strengths-Based Assessment

- Compare current practices with the vision for implementation.
- Engage in Keep-Stop-Start analysis.

IV. Identify Next Steps

- Record next steps.
