

Building Knowledge. No Matter What.

With video lessons and daily assignments, *Wit & Wisdom in Sync*™ ensures students can build knowledge if they—or the teacher—have to take time away from the classroom. The direct instruction videos also serve as pre-lesson modeling for teachers so they can lead with confidence.

Seamless learning

Wit & Wisdom in Sync has all the important components of our high-quality *Wit & Wisdom*® curriculum. This abbreviated program also includes additional digital resources that can be used anywhere learning takes place.

Wit & Wisdom in Sync provides

- direct instruction through daily video lessons from a Great Minds coteacher.
- vocabulary videos with Spanish-language content to support multilingual learners with oral language development.
- fillable PDFs with interactive annotation tools for students to submit work.
- planning and preparation resources for teachers.

every child
is capable of
greatness

At a glance

Our team of teachers combined extensive knowledge of instructional best practices with in-depth analysis of what schools and districts need to design a model for continuous learning and excellence in this changing educational landscape.

For teachers

- **Learn Anywhere Plan**

The plan provides module and daily lesson pacing to help students toggle between home and school.

- **Wit & Wisdom in Sync User Guide**

The guide helps teachers understand how to use *Wit & Wisdom in Sync*.

- **The Great Minds Humanities Video Library**

These videos offer free introductory content about the curriculum and our professional learning offerings.

- **Wit & Wisdom Projected Slides**

These slides support online instruction and discussions with students.

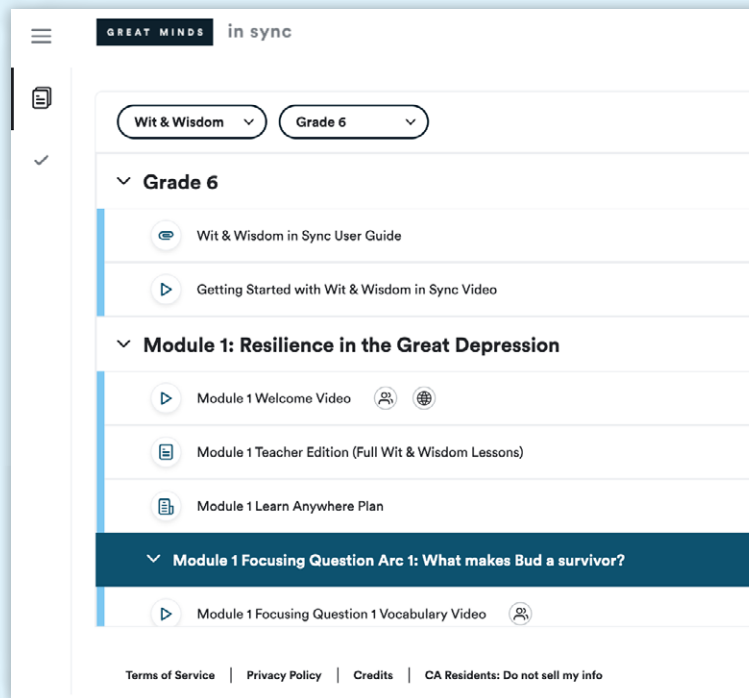

- **Digital Teacher Edition**

This resource allows teachers to explore full *Wit & Wisdom* lessons and resources to understand the context of the grade, lesson set, and module.

- **Digital Assessments**

Affirm, *Wit & Wisdom*'s digital assessment tool, helps educators meet the needs of students by providing instant scoring and reporting at the student, class, and school level.*

**Affirm* is a separate, required purchase to support learning with *Wit & Wisdom in Sync*.

For students

- **Daily Videos**

These digestible videos provide daily direct instruction from a Great Minds coteacher. Instructional videos are available in both English and Spanish.

- **Digital Classwork**

The digital student edition includes activities to support each lesson. The fillable PDFs include interactive annotation tools that allow students to submit their work digitally.

- **Print Core Texts**

Teachers can provide students with select books from the *Wit & Wisdom* Core Text Library to read at home. These books are not included in *Wit & Wisdom in Sync* and can be purchased separately.

- **Vocabulary in Sync**

These vocabulary videos, available in both English and Spanish, help students preview and practice essential vocabulary for each *Wit & Wisdom* module.
