This six-hour session takes participants deep into the curriculum's structure, offering practical planning tools and strategies, and time and support to begin using those tools to plan for teaching.

| Outcome | • Deepen understanding of the what and why of *Wit & Wisdom*’s learning design.  
• Learn the benefits of students’ productive struggle.  
• Gain practical skills to foster productive struggle and meaningful discussion.  
• Acquire tools for preparing to teach a *Wit & Wisdom* module and lessons.  
• Prepare to teach the introductory *Wit & Wisdom* module, Module 0. |
