TRAVEL SAFE

While the world has changed, your health and safety remain our biggest priority. A worry-free experience for our guests is very important to us, and with a few changes and new protocols, you can continue to enjoy peace-of-mind while traveling. The following pillars address our guidelines to provide a safe and clean environment for you and our team.

WE'RE IN THIS TOGETHER

Along with introducing enhanced protocols to keep everyone safe, we ask that you take personal responsibility for your health. This begins with packing any personal protective equipment and hygiene supplies you may need, including your own reusable face masks to use throughout the tour. Please follow physical distancing and hygiene guidelines before departure, and follow all health instructions including local signage and requests from your Tour Director while on tour. You can observe suggested safety precautions by following CDC guidelines:

- · Wash your hands often
- · Avoid close contact
- · Cover your mouth and nose with a cloth face cover when around others
- · Cover coughs and sneezes
- · Clean and disinfect
- · Monitor your health

GUEST AND TEAM MEMBER HEALTH

We ask that you follow CDC guidelines prior to your trip, including staying home if you feel ill. Please monitor your health throughout your tour, and notify your Tour Director immediately if you feel unwell. Our Tour Directors and motor coach suppliers have agreed to temperature checks and to monitor their own health prior to departure.

RESPONSIBLE SOCIAL DISTANCING

Tour groups will be sized based on local government distancing requirements. We work closely with our partners to ensure adequate physical distancing on motor coaches and cruises, and during meals, experiences, and sightseeing. You may be rotated in smaller sub-groups when necessary. You may also be requested to wear masks when required or where proper social distancing cannot be maintained.

INCREASED CLEANLINESS & SANITATION

Our third-party suppliers including airlines, hotels, motor coaches, and cruise lines have stated that they are implementing enhanced cleaning procedures. Additionally, your Tour Director will have an emergency supply of face masks, hand sanitizer and cleaning supplies to supplement should the need arise.

ENHANCED TOUR DIRECTOR TRAINING

We have increased our levels of training for Tour Directors. They will be thoroughly trained on all our new health and safety policies. Tour Directors will monitor the hygiene practices of our guests, reacting and advising as needed for the continued safety of everyone.

HERE AT YMT, WE'RE A FAMILY. One of the best parts of your YMT vacation is making connections. You'll connect with your fellow travelers, and share once-in-a-lifetime experiences as you discover the world together. And you'll connect with the special places and people you see in your destinations—from the guides who conduct your tours to the sights, scenes, and sounds of the places you'll visit. YMT vacations are truly exceptional and go beyond pretty pictures; they're magical

moments and amazing experiences that you'll cherish forever. But don't just take our word for it. Here are just a few of the many wonderful things our guests have shared with us about their YMT vacations. So come along. You're going to love it!

If you've always wanted to see the Rose Bowl Parade this is the way to do it. **YMT vacations have a first rate, hassle free trip.**Fly to LA and then relax and enjoy seeing the floats up close and personal. They provide all the transportation so you don't have to be concerned about Calif. traffic. In addition there were extra tours which filled up our time and made the trip truly memorable.

We had a great time on our YMT Hawai'i vacation cruise last month.

They took great care of everything for us. Our YMT tour guide Pita

was super. Pita made sure all our vacationers in our group were
well taken care of and made sure we got where we needed to be
when we needed to be there. He didn't leave the airport until he
knew we were boarded, even helping carry some luggage. Truly a great
vacation, Thanks YMT.

"Larry S.

We have been on three YMT trips, and all have been well organized. They are helpful with planning and arrangements, and the trips have been worry free.

~ Pat B.

YMT listens to their clients. When a trip is suggested, they listen and plan one to that destination. **Great people to work with.** We have been on three trips and will soon leave on our 4th. We can hardly wait!

~ Eva S.

We just took the "Enchanting Iceland" tour. Iceland was amazing with so much history and geology. The tour guide was very interesting and informative. Even though she had an Icelandic accent, you could understand her perfectly. We stayed in Reykjavik the whole time and went on day trips. The last day was basically a free day in Reykjavik, which turned out to be very relaxing and allowed us to see/do some things not on their itinerary. YMT did a good job with this tour. I only wish it would have been a little longer.

You'll come home with wonderful memories, and a world full of friends. Your YMT vacation includes so much more than just a tour—the connection and spirit of community you experience are priceless.

THE HIGHEST COMPLIMENT

Most of our travelers are either repeat guests looking for another vacation adventure, or first-time YMT travelers referred by a satisfied YMT guest. Many guests report that their YMT tours have been the best of their life thanks to our experienced Tour Directors, well-planned itineraries, and of course, the friendships they made along the way. We're proud of all of the great reviews many of our happy guests have written, and we'll do our very best to give you an equally wonderful experience, ensuring that your first YMT trip will be one of many!

A TRADITION OF HOSPITALITY

YMT Vacations started out as Your Man Tours in 1967 with the goal of making travel to Hawaii affordable to all. Dedicated to personal attention and excellent service, we were "your man" on the islands. And today, our popular Hawaii tours are escorted throughout by our friendly local guides who will give you an insider's tour of the islands and show you what the warm Aloha spirit is truly all about!

In the more than 50 years since our beginning, we've grown into more than just Hawaii's friendliest diplomats—YMT Vacations has taken our aloha spirit across the globe. Our team of Tour Directors has decades of experience leading mature travelers on dream vacations to Alaska, Europe, the continental United States and beyond, and we are proud to build on the wonderful tradition of hospitality started in Hawaii so many decades ago.

WE'RE PROUD THAT OUR VACATIONS ARE THE EASIEST, most engaging, affordable, social, and fun way for mature travelers to see the world. We've designed guided land and cruise tour packages that give guests more of what

they want. When you travel with YMT, you'll be accompanied by other YMT guests, which enriches your travel experience even more. Wherever your vacation dreams take you, and however you decide to travel, all of your arrangements on our vacations—accommodations, transportation on tour via modern motor coach, baggage handling at hotels, sightseeing and attraction entrance fees, professional Tour Directors, select meals, even independent air travel with transfers to and from your hotel at no extra cost—will be taken care of with one simple phone call.

And while you're on your trip, you can do as much or as little as you like. We arrange our group tours with a great variety of optional side trips you might enjoy. Perhaps even more importantly, we've built in plenty of free time you can use any way you like—bond with the group, relax with your partner, or explore your new surroundings by yourself! After all, it is your vacation, where the hardest thing you have to do is choose where to go!

THOUGHTFULLY CURATED ITINERARIES

You won't find a more flexible, easy-going vacation than a YMT guided land tour or cruise tour. Our trips are designed with you in mind. The destination, stops, pacing, accommodations, and optional tours are all planned to enable mature travelers to get the most out of their time away. You can expect frequent rest stops on land tours, clean and comfortable lodging, baggage handling throughout, climate-controlled modern motor coaches, included entrance to attractions and sightseeing, plus plenty of time built in for rest and relaxation. And, our tours even offer you the freedom to choose what and when you'd like to eat (instead of charging you up front for food you may not even want)—now that's value and convenience that can't be beat!

EXPERT TOUR DIRECTORS AND DRIVER GUIDES

We're proud to have some of the most experienced, dedicated Tour Directors and driver guides in the industry. The men and women that lead YMT's tours are true experts, with passion and experience leading mature travelers all over the world. Several of our tours are handled exclusively by local Tour Directors and driver guides, whose pride and enthusiasm for their home is infectious. These leaders will show you what makes the area you're visiting special to the people who live there.

You'll enjoy a deeper connection, appreciation, and understanding of the local culture and your experiences. We believe this insider's perspective, that only a member of the community can provide, makes travel just that much richer. Since the beginning in 1967, YMT has been proud to employ local Tour Directors on all of our Hawaii vacations, and our guests can't say enough wonderful things about them. And the local driver guides on our Ireland tours are one of the many reasons guests rate our Ireland tours more than 4 out of 5 stars.

HERE ARE OUR ACTIVITY LEVELS EXPLAINED We want to help make choosing your perfect vacation as easy as possible. On the individual tour pages, you'll find a designated activity level as well as detailed itineraries. Read the descriptions below to learn more about the activity levels and understand which tours are right for you.

RELAXED

Traveling at a leisurely pace, this itinerary requires a small amount of physical activity. Depending on the itinerary details, guests will need to be prepared to board a plane, bus, boat, ferry, or ship. There will be some walking to rooms, cabins, or restaurants, and general points of interest. This may also include an occasional flight of stairs or some steps during transfers and stops.

EASY GOING

This tour requires light physical activity combined with shorter travel days. Activities may include an occasional city or nature walking tour with stops along the way. Guests should be able to climb a set of stairs, walk up or down slight slopes, and navigate some uneven terrain or cobblestone.

MODERATE

To enjoy this tour, guests should be prepared to walk slightly longer distances, climb stairs, and tolerate periods of standing. The daily pace and timing can fluctuate significantly between longer and shorter travel days, with additional activities possibly occurring in the early morning or evening. There may be some changes in altitude or temperatures.

ACTIVE

To fully take advantage of all this tour has to offer, guests need to be able to walk longer distances, climb several flights of stairs, and navigate steps and uneven terrain. Your itinerary can include significant changes in temperature and altitude and may require a higher number of longer travel days with morning and/or evening activities.

VERY ACTIVE

Likely to feature many attributes of our active level, this is very much an onthe-go tour with a complete itinerary involving a full, normally daily program of travel, sightseeing, or events. We would consider this our fastest tour pace and free time at leisure will be more limited, in some cases just to evenings.

★ Day 1 • Arrive in Chicago

Welcome to Chicago! If you purchased airline tickets from YMT Vacations, a friendly YMT representative will greet you at the airport and transport you to your hotel. The day is yours to enjoy however you wish. Chicago has some of the best food, shopping, museums, and live music in the country, and there is never a shortage of excitement here in the Windy City. During tonight's included welcome dinner at Giordano's, connect with your new travel companions over big slices of Chicago's famous deep-dish pizza at one of the Windy City's most popular pizza parlors. (D)

◆ Fairfield Inn & Suites Chicago - Midway or similar

Day 2 • Chicago City Tour

Spend the morning touring America's third largest city. Your bus tour will include all of Chicago's highlights, including Michigan Avenue, the exclusive "Magnificent Mile," the Wrigley Building, the Loop, the shoreline of Lake Michigan, and Millennium Park, home of iconic public art works including the reflective stainless-steel Cloud Gate, nicknamed "The Bean" because of its shape. Finally, travel up to the 103rd floor of Chicago's tallest building. Enjoy the glorious views from 1,353 feet up at

The Ledge at Willis Tower (formerly known as Sears Tower). The afternoon is yours to enjoy at your leisure, or you can take part in an optional Chicago River Architecture Tour. (B)

Mackinac Island, the "Jewel of the Great Lakes." The elegant and refined Grand Hotel has been the peak of luxury since 1887, and is just one of the many beautiful places you'll see on this tour across Michigan and Illinois.

◆ Fairfield Inn & Suites Chicago - Midway or similar

Day 3 • Traverse City via Grand Rapids

Depart Chicago for Frederik Meijer Gardens & Sculpture Park in Grand Rapids. One of the nation's most significant sculpture and botanic experiences, Meijer Gardens includes Michigan's largest tropical conservatory; five indoor theme gardens; outdoor gardens, nature trails and boardwalk. Lunch will be on your own in Grand Rapids, and then it's off to Traverse City where the evening will be at your leisure. (B)

♦ Bay Shore Resort or similar

Day 4 • Mackinac Island via Charlevoix

Start the day off with a fun—or should we say fungal—tour of the Mushroom Houses in Charlevoix. They are the work of self-taught builder and local celebrity Earl Young, who fashioned over two dozen eccentric creations using indigenous materials. His most famous creation, Mushroom House, bares more than a passing resemblance to a just-popped-up

shroom, and are some of the quirklest houses in the Midwest. After a lunch break, take a scenic drive to Petoskey State Park and beach area, then catch the ferry to Mackinac Island.

Step back in time to the early 1900s, starting with your horse-drawn carriage taxi ride (automobiles are banned on the island) to the Grand Hotel. Bygone traditions and a more elegant way of life are the norm at Grand Hotel, which opened in 1887, and is still a truly one-of-a-kind destination with 387 uniquely decorated rooms. Evenings at the Grand Hotel require formal dress, especially at tonight's included formal dinner and ballroom dancing. (B, D)

Dress Code: Note from the Grand Hotel - Since the Grand Hotel is a resort, we want all guests to feel at ease and dress comfortably. During the day, casual resort clothing is appropriate. Prior to 6:30pm please no midriff baring tops, sweatpants or cut-off shorts for ladies. For gentleman no sleeveless shirts, sweatpants, or cut-off shorts.

Every evening at Grand Hotel is a special occasion. After 6:30pm dresses, skirts, blouses, dress sweaters and dress slacks for ladies are preferred, while gentleman are required to wear a suit coat, necktie and dress pants, no denim or shorts. This applies for all areas inside the hotel with the exception of the Cupola Bar. Children 12 years and older are expected to follow the same dress code as adults.

The Grand Hotel maintains a no tipping policy.

Note: Grand Hotel pool closed in May and October

♦ Grand Hotel

Day 5 • Mackinac Island Leisure Day

Spend the day enjoying the good life at Grand Hotel, the elegant setting of 1980's time travel romance film *Somewhere in Time* starring Christopher Reeve and Jane Seymour. You can participate in hotel activities such as bocce

ball, bean bag toss, garden tour, bike rentals or relaxing on the wrap around porch. If you want to venture outside of the lush grounds, island activities include horse-drawn carriage rides, tours of Arch Rock, Fort Mackinac or Fort Holms, and of course excellent shopping in the quaint town. You may choose to join us on an optional horse drawn carriage island tour and buffet lunch. This evening, press and polish your finest outfits for another included formal dinner and dancing. (B, D)

♦ Grand Hotel

OPTION: HORSE-DRAWN CARRIAGE RIDE TOUR OF MACKINAC ISLAND WITH BUFFET LUNCH

Day Stop

destination in itself, with a welcoming tropical aesthetic and plenty of restaurants, shopping, and excellent opportunities to swim in either the pool or the warm pacific. For an unforgettable cultural experience, you don't want to miss the chance to visit Costa Maya's 3,000-year-old Mayan ruins, which were only rediscovered in the past few years.

💂 Day 6 • Harvest Caye

(8:00 AM - 5:00 PM)

Relaxation is the name of the game at Harvest Caye, a 75-acre private island open exclusively to guests of Norwegian Cruise Lines. Designed to showcase the Caribbean's stunning natural beauty, unique wildlife, and dynamic culture, your time on Harvest Caye is a vacation within a vacation.

The Nature Center is a one of Harvest Caye's most unique features. It's free to visit, and is a great place to see massive boa constrictors and colorful toucans and scarlet macaws. The enclosed Blue Morpho Butterfly Sanctuary is nothing short of marvelous—you'll be surrounded by countless native butterfly species and more than a few intrepid iguanas whose disinterest in humans is truly a sight to behold.

💂 Day 7 • Roatán, Bay Islands, Honduras (8:00 AM - 5:00 PM)

Welcome to Roatán, the jewel of the Bay Islands, located just off the north coast of Honduras. The beaches here are second to none, and the warm water is teeming with exotic fish, coral, and gentle sea turtles who thrive here in the world's second largest barrier reef. Come hungry, because Roatán is famous for

offering a wide variety of world-class cuisine. Fresh fish and lobster are always a tasty choice, but if you want to eat like a true local, you have to give a freshly fried conch fritter a taste.

🔁 Day 8 • Cozumel, Mexico

(9:00 AM - 6:00 PM)

The island of Cozumel off the tip of the Yucatan Peninsula has done a fine job of retaining its cultural character over the years despite an explosion of popularity in its tourism sector. It has everything that visitors want-gorgeous beaches, warm waters, incredible reefs, friendly locals, and perfectly spicy cuisine—but has also managed to keep much of its authentically vibrant Mexican-Caribbean personality intact. There is nothing so perfectly refreshing as a bowl of fresh fruit paired with an ocean view, so we strongly encourage guests to stop at a fresh fruit stand whenever they get thirsty. Ask "¿Qué nos recomienda?" or "What do you suggest?" to guarantee the best variety of the tastiest fruit.

💂 Day 9 🔹 At Sea

During the day catch up on some reading, or just enjoy the warm winter Caribbean weather from the sun deck. After dinner try your luck at the casino, or catch a stage show which are designed to razzle and dazzle; this final night is yours to enjoy!

Day 10 • Depart for Home

Today your adventure begins upon arrival in Anchorage. If you purchased your airline tickets from YMT, you will be welcomed by a representative and transferred to your hotel. Approximately 40 percent of Alaska's population lives in Anchorage, a place known as the "Big Apple of the North" where you can find great food and a killer cup of coffee virtually anywhere. Some of its buildings are from the early 1900s including Nagley's General Store and the Talkeetna Roadhouse.

Your afternoon will be in Denali, and this evening will include an unforgettable Aurora Borealis viewing. The bright dancing lights of the aurora are collisions between electrically charged particles from the sun that enter the earth's atmosphere. Auroral displays appear in many colors, although pale green and pink are the most common. Shades of red, yellow, green, blue, and violet have been reported. The lights appear in many forms, from patches

or scattered clouds of light to streamers, arcs, rippling curtains or shooting rays that light up the sky with an eerie glow. Afterward you're invited to join us for a warm nonalcoholic beverage to end the night. (B)

OPTION: ALASKA RAILROAD UPGRADE

Upon arrival enjoy a City Tour of the downtown area and the Trans-Alaska Pipeline. This afternoon will be at your leisure for optional tours such as Arctic Circle Flightseeing, as well as many others to choose from. This evening, board your deluxe motor coach for a night of Aurora Borealis Viewing and a warm nonalcoholic nightcap. The city is one of the best places in the world to see the aurora borealis, which appears on average 243 nights of the year. (B)

♦ Springhill Suites Fairbanks or similar

Day 6 • Fairbanks

Spend your final full day in Alaska chilling out in one of the coolest places in the state...literally! You have the chance to explore Ice Alaska, a one-of-a-kind museum and adventure park that celebrates Fairbanks' status as the "Ice Sculpting Capital of the World." The Ice Park is nothing short of magical, with art and numerous attractions all sculpted from massive blocks of ice harvested from O'Grady Pond next to the park. You won't believe what the world's most talented ice sculptors are able to create—just to have them melt at the season's first thaw. 💂 Day 3 • Scenic Inside Passage Cruising

Spend the whole day cruising some of the world's most magnificent waters. Alaska's Inside Passage is a protected network of waterways that winds

through glacier-cut fjords and lush temperate rain forests along the state's rugged southeastern coast. The Inside Passage stretches through stunning landscapes from Misty Fjords National Monument to the famed Glacier Bay National Park and Preserve. If you're lucky, you will spot some of Alaska's most iconic wildlife, with humpback whales and orca breaching brilliantly alongside the ship, bald eagles soaring overhead, and brown bears lumbering on the shoreline.

Day 4 • Tracy Arm Inlet

(9:00 AM-9:30 AM) and Juneau (1:00 PM-10:00 PM)

After a brief stop in Tracy Arm Inlet, continue to Juneau for the rest of the day. Surrounded by water, forest and mountains, visitors love Juneau's atmosphere. The Alaskan capital city feels like a frontier town, but welcomes more than a million visitors each summer.

💂 🛱 🚇 Day 5 • Whitehorse and Skagway (Arrive 7:00 AM)

Disembark bright and early this morning in Skagway, which served as the primary gateway to the legendary gold fields, and quickly grew into Alaska's largest boom town packed with trading posts, saloons and guesthouses.

Continue to Whitehorse where you will board the White Pass & Yukon Route Railroad, a classic narrow-gauge railway that traverses rugged mountains and passes cascading waterfalls and towering glaciers as it connects Skagway

to Whitehorse deep in the Yukon. This narrowgauge railroad is an International Historic Civil Engineering Landmark. It shares this honor with the Panama Canal, the Eiffel Tower and the Statue of Liberty, and is truly a world wonder. Spend the evening back in Whitehorse, the rugged capital of the Yukon. (B)

♦ Westmark Whitehorse Hotel or similar

★ Day 6 • Dawson

Your day starts with a flight to colorful Dawson City, Yukon, where old-time wooden boardwalks connect frontier-era buildings in the Yukon Territory's original capital. The heart of the Klondike Gold Rush, Dawson City housed around 30,000 people in the summer of 1898. But the town was sliding towards "ghost" status just a year later. A fire had destroyed over 100 vital structures right as the gold ran out and rumors arrived of nuggets in Nome, Alaska. Dawson City moseyed along quietly until the early 1960s, when Parks Canada began refurbishing landmarks like the Palace Grand Theatre and the Commissioner's Residence. Today sightseers flock to this subarctic hotspot, which has retained its 19th-century charm. Highlights include the Jack London Museum, Diamond Tooth Gertie's Gambling Hall and the Sourdough Saloon, which infamously serves a cocktail containing a preserved human toe—but don't worry, it was a willingly donated digit! (B)

♦ Westmark Inn Dawson City or similar

X Day 7 ⋅ Fairbanks

Your journey continues as you board a short flight for Fairbanks, Alaska's Golden Heart City. Alaska's second-largest city was born of gold rush fever, thanks to a eureka! moment in 1902 on the banks of the Chena River. Though much of Fairbanks today consists of modern shops and

malls, its history lives on at Pioneer Park, which includes a Gold Rush Town with 35 restored buildings. Fairbanks also preserved its City Hall, which now houses the Fairbanks Community Museum. The city is one of the best places in the world to see the aurora borealis, which appears on average 243 nights of the year. (B)

♦ Westmark Fairbanks Hotel or similar

🛱 Day 8 • Denali

Take a trip deep into Denali for a 2-night stay at the 6-million acre National Park that lays claim to Mt. Denali, America's tallest mountain. Don't miss the chance to visit Denali Square and immerse yourself in the Denali experience. (B)

♦ McKinley Chalet Resort or similar

屈 Day 9 🔹 Denali

Today features the magnificent Tundra Wilderness Tour. This 6-8 hour fully narrated sightseeing excursion is a deep dive into Denali National Park – and gives you the very best chance of seeing both the mountain and stunning scenery, and Denali's iconic wildlife. Travel deep into the park where it is rare not to see some combination of Alaska's Big Five: grizzly bears, caribou, moose, Dall Sheep and wolves, along with other animals on this expertly guided full-day tour. (B)

♦ McKinley Chalet Resort or similar

Day 10 • Anchorage

This morning, board the luxurious domed rail cars of the McKinley Explorer bound for Anchorage. Approximately 40 percent of Alaska's population lives in Anchorage, a place known as the "Big Apple of the North" where you can find a great food and coffee anywhere. (B)

♦ Westmark Anchorage Hotel or similar

🛱 👛 Day 5 • Dijon and Beaune to Lyon for Embarkation

A short drive this morning leads to the beautiful village of Beaune where two highlights of Burgundy await. Explore the astonishing world of France's favorite condiment, Dijon Mustard. Visit the family-owned Faillot mustard factory and learn all about the many varieties of the original. Then, visit the Hotel Dieu, arguably one of the finest Renaissance buildings in the world. It is also one of the most fascinating historic museums of Europe. Continue to Lyon where the crew of the A-ROSA Stella waits to greet you with a complimentary rose for your cabin, as is A-ROSA tradition. Settle into your cabin and explore the ship before dinner. In the evening, the Stella will leave the port and take you on a panoramic cruise of Old Town Lyon. (B)

Day 6 • Chalon-sur-Saône

(12:00 PM - 8:00 PM)

Your first stop is charming Chalon-sur-Saône. Known as the birthplace of photography, this historical and charming town welcomes you with its lively and relaxed atmosphere.

EUROPEAN RIVER

Day 7 • Mâcon (2:00 AM - 2:00 PM) Trévoux (6:00 PM - 7:00 PM) and Lyon (Arrive 10:00 PM)

Wake up in Mâcon, where much of France's best chardonnay is produced. These local wines pair beautifully with regional dishes. The most famous dishes include boeuf bourguignon-a particular favorite of Julia Child—and Escargots à la Bourguignonne. Burgundy snails cooked in a flavorful combination of butter, parsley, and plenty of garlic are nothing short of magnificent. After a short stop in Trévoux, you'll arrive in Lyon.

Day 8 • Lyon (Depart 2:00 PM)

This morning wake up in Lyon with ample time to explore this beautiful city while the Stella stays in port. The old town "Vieux Lyon" features Renaissance houses and is a UNESCO World Heritage Site. The city is known for its highquality silk products and the Basilica of Notre-Dame de Fourvière, which sits above the city. Wander into town on your own, or perhaps take a bike tour along the river or use your onboard credit to enjoy a massage!

After a very brief stop in Châteanuneuf-du-Pape, this afternoon we will arrive in Avignon. You can find an extraordinary collection of monuments, and Avignon's world-famous bridge, the Pont Saint-Bénézet, also known as the Pont d'Avignon. The wooden structure built in the late 12th century spans the Rhône between Villeneuve-lès-Avignon and Avignon, and is one of the few bridges to have ever inspired a hit song. "Sur le pont d'Avignon" has been a favorite amongst French children for centuries.

Avignon will also be the starting point for an optional excursion into the lavender regions of Sault and Senanque. Purple as far as the eyes can see and a heavy lavender scent in the air, that is France at its best!

Day 10 • Avignon (Depart 12:00PM) and Arles (3:30 PM - 9:00 PM)

Spend the morning in Avignon. The city is ringed by incredibly preserved 800-year-old stone ramparts; erected to keep the plague and invaders out during the turbulent Middle Ages. In addition, because of the Avignon Papacy when seven popes opted to reside in Avignon rather than Rome, the city is full of magnificent churches, art, and architecture.

Next, travel to the colorful town of Arles, which you'll be able to recognize in some of the world's most famous paintings. Vincent van Gogh painted Arles in 187 of his works. Long before Van Gogh, the Romans had discovered Arles' beauty and made it their provincial capital. The impressive amphitheatre is one of Arles' main attractions; it is best explored on foot.

Day 11 • Viviers (8:00 AM – 8:30 AM) and La Voulte-sur-Rhône (12:30 PM - 1:30 PM)

Enjoy your morning in picturesque Viviers. Located in the Rhône Ardeche region, the beautiful walled city is home to a cathedral dating back to the 12th century and an ancient bridge dating back to the 3rd century.

You'll also have a bit of time to visit La Voulte-sur-Rhône, a tiny town beloved by paleontologists for its extraordinary collection of fossilized Jurassic sealife.

👛 🤾 Day 12 • Disembark in Lyon and **Depart for Home**

It is time to say goodbye to the crew of the A-ROSA and return home from Lyon Airport.

Day 5 • Dijon and Beaune to Lyon

A short drive this morning leads to the beautiful village of Beaune, where two highlights of Burgundy await. Explore the astonishing world of France's favorite condiment—the Dijon mustard. Visit the family-owned Faillot mustard factory to learn all about the many varieties of the original. Then, visit the Hotel Dieu. Arguably one of the finest Renaissance buildings in the world, it is also one of the most fascinating historic museums of Europe. In addition, it is still a working hospital where everyone receives care

despite their ability to pay. Sparked by the idea of modern tax deductible charity of its time, it was once a hospital, pharmacy, and almshouse at the same time. Throughout the years, it became a wealthy trust that, amongst other things, counts the most expensive vineyard in Burgundy among its assets. Then, on to Lyon where the A-ROSA Stella awaits you. Get settled in your cabin and explore the ship a bit before dinner, or perhaps take a stroll around Lyon for a glass of wine or coffee at a local bar. In the evening, the Stella will leave the port and take you on a panoramic cruise of Old Town Lyon. (B)

Day 6 • Viviers (1:00 PM – 7:00 PM)

After enjoying cruising on the river overnight and this morning, your first stop is picturesque Viviers. Located in the Rhône Ardeche region where the two rivers briefly merge, the beautiful walled city is home to a cathedral dating back to the 12th century, and an ancient bridge dating back to the 3rd century. The flat area is an ideal starting point for a guided bike tour that you can book onboard or an excursion to a nearby grotto and lavender farm.

Wake up in Arles, the southernmost point of your cruise. Even if you have never been here before, you're sure to recognize pictures of it. Vincent van Gogh painted Arles in 187 of his works. Long before Van Gogh, the Romans had discovered Arles' beauty and built the impressive amphitheater, one of the main attractions today. In the afternoon, continue northbound. In the early evening, we will arrive in Avignon where

the brightly-lit monuments and the famed bridge will astound you. "On the bridge of Avignon, we all dance there," the words of a 15-century folk song pay tribute to the unbridled joie de vivre at the foot of the Palace of the Popes—a zest for life that is still very much alive today.

Day 8 • Avignon (Depart 12:00 PM)

Ringed by incredibly preserved 800 year old stone ramparts, graceful Avignon's turn as the seat of papal power bestowed upon the city a treasury of magnificent art and architecture. The ramparts were erected to keep the plague and invaders out during the turbulent Middle Ages. Enjoy a leisure morning in town and marvel at its history before leaving at lunch time.

Day 9 • Vienne (9:00 AM - 9:30 AM) to Lyon (Arrive 1:00 PM)

A quick stop in Vienne lets off guests who choose to partake in shore excursions from here, then it is off to beautiful Lyon, where you will have ample time to explore. The old town "Vieux Lyon" features Renaissance houses and is a UNESCO World Heritage Site. The city is known for its high quality silk products and the Basilica of Notre-Dame de Fourvière, which sits above the city; you can discover both with an optional organized city tour.

Say goodbye to the crew of the Stella and return home from Lyon Airport. Your YMT Cruise Host will assist with your transfer arrangements, which are included for guests who have booked air with YMT.
