

Sigma Green Max Grinding Wheel

Sigma Green Max is the 1/4" thick version of our highly successful Sigma Green wheel that has been engineered for added life and durability. The specialty bond results in a balanced, noticeably quiet, and smooth running grinding wheel with less vibration, even with the added thickness.

METALS

Stainless steel - Aluminum - Mild steel - Brass

PRODUCT FEATURES

- Longer life over our original Sigma Green Grinding Wheel
- High performance grain
- Fast stock removal
- Superior finish
- Grinds smooth and quiet
- Minimizes operator fatigue
- Won't discolor or warp stainless steel

APPLICATIONS

- Foundries
- General fabrication
- Shipbuilding
- Tank fabrication
- Power plant maintenance and repair

SPECIFICATIONS
