

# Connect for Good

Kajeet provides optimized IoT connectivity, software and hardware solutions that deliver safe, reliable and controlled internet access to nearly 3,000 businesses, schools, state and local governments and IoT solution providers.

Kajeet is the only managed IoT connectivity services provider in the industry to offer a scalable, award-winning IoT management platform, Sentinel®, that includes complete visibility into real-time data usage, policy control management, custom content filters for added security and multi-network flexibility.
