WalkAnalyst Installation:

Double click on the WalkAnalyst setup program (setupwalkanalyst.exe) from the disk or folder containing the application.

If you see a windows message stating "Do you want to allow this app from an unknown publisher to make changes to your PC?" press YES to continue.

Press NEXT to start the installation wizard.

Select ALL USERS for installation option and press the NEXT button.

Select JAPANESE for language and press the NEXT button.

Press I AGREE for the End-user license agreement.

Press INSTALL to complete the installation.
