**Patrick Terminals Brisbane
Notice of Protected Industrial Action**

Freight & Trade Alliance (FTA) and the Australian Peak Shippers Association (APSA) wish to advise that Patrick Terminals has been served with a further "Protected Industrial Action (PIA)" notification from the Maritime Union of Australia (MUA).

The details of this notification are as follows:

Impacted Terminal: Patrick Terminals - Brisbane AutoStrad

- A ban on attending for work on days an employee is rostered as "off/avail" commencing from 11pm Friday 28 May 2021 and finishing 11:00pm Sunday 30 May 2021
- A ban on working overtime at Fisherman Island (Brisbane) from 11pm Friday 28 May 2021 and finishing 11:00pm Sunday 30 May 2021

Patrick Terminals continues to proactively work towards a solution with the MUA that is fair and reasonable for all parties. We are once again disappointed in the MUA's approach in taking PIA at this stage in the discussions.

Patrick Terminals will continue to work closely with customers to ensure continuity of the supply chain across all terminals where the MUA has taken PIA. Our business is committed to minimising the impact on our customers and our commercial team will proactively work with our customers to minimise any disruptions.

Please reach out to your Client Services Manager if you would like any further details.

Updates will be posted at www.FTAlliance.com.au
