

CAREER TRANSITION PORTAL

OI Solutions offers a comprehensive array of tools and services to create fast results for job seekers. It's a virtual career-center that goes anywhere from home to office to meetings - anytime.

KEY FEATURES INCLUDE

- **Custom dashboard:** practical job search tools are all presented in one place.
- **Self-Insight Assessments:** assess your preferences, motivations, values, working style, and resilience
- **Video Hub:** Video advice from coaches and employers
- **Jobs Database:** Search millions of job openings, set alerts
- **Recruiter Database:** eGold directory of recruiters
- **O-Net:** Explore jobs by the abilities, interests, knowledge, or skills they require
- **Resume 360:** scores your Resume against more than 50 checks that commonly trip up an ATS. You get instant, detailed feedback so you can optimize your resume and significantly boost your chances of getting to interview.
- **Interview Simulator:** includes hundreds of questions and associated videos from employers. The system records mock interviews and plays back each session to enable practice.
- **Progress Tracker:** so you can stay on schedule and remain aware of your progress.
