

## CAREER LAUNCH

Virtual Career Transition Program

Career Launch provides access to CMP outplacement support from anywhere – at any time.

### THE PROGRAM

This virtual program includes a robust online portal and one-on-one phone support, including an 800 number to use for immediate help at unscheduled times. Along with providing high impact career transition solutions for clients, we form a partnership with each individual to support them throughout their transition process.

### LEVERAGE CONTEMPORARY SEARCH TOOLS

The Career Launch Program leverages robust online tools and targeted coaching to support every aspect of career transition, including:

- Resume development
- Interview practice/preparation
- Networking strategy
- Emotional engagement and support
- Targeting companies
- Career portal solutions
- Job search tools
- Career campaign management
- Internet support

### UNIQUE ONLINE OPPORTUNITIES

Supporting Career Launch is our proprietary career portal. The CMP/OI Solutions Portal offers research on targeted companies and trainings. In addition, candidates can access many robust features, such as:

- On Demand Training on Every aspect of a successful career transition
- Multimedia content in video, audio podcasts, written tutorials and e-learning modules engages those with diverse learning styles.
- Deep research tools, including LexisNexis™
- More appropriate job openings in your industry, identified more expediently, along with contacts to short-circuit recruitment time.
- Career interest and skills assessments
- Interview video and question simulator
- Progress tracker so you can stay on schedule and remain aware of your progress.

OI Solutions offers a comprehensive array of tools and services to create fast results for job seekers. It's a virtual career-center that goes anywhere from home to office to meetings anytime.

**KEY FEATURES****INCLUDE**

---

- **Custom dashboard** – practical job search tools are all presented in one place.
- **Self-Insight Assessments** – assess your preferences, motivations, values, working style, and resilience
- **Video Hub** – Video advice from coaches and employers
- **Jobs Database** – Search millions of job openings, set alerts
- **Recruiter Database** – eGold directory of recruiters
- **O-Net** – Explore jobs by the abilities, interests, knowledge, or skills they require
- **Resume 360** – scores your Resume against more than 50 checks that commonly trip up an ATS. You get instant, detailed feedback so you can optimize your resume and significantly boost your chances of getting to interview.
- **Interview Simulator** – includes hundreds of questions and associated videos from employers. The system records mock interviews and plays back each session to enable practice.
- **Progress Tracker** – so you can stay on schedule and remain aware of your progress.
