

EXECUTIVE ASSESSMENT ADVANTAGE

CMP Brings Deeper Insights And Prediction To Executive Selection

CMP executive assessment helps you hire smart, and onboard leaders effectively.

The CMP assessment process goes below the surface to highlight the key strengths, gaps/risks and potential of candidates. Our tools are rigorous and efficient, with results available real-time - we provide predictive insights without slowing down the hiring process. Key features include:

◆ Alignment of the assessment with strategy, culture and role requirements

- Quantitative benchmark data on key predictors of executive success
- Qualitative summary of fit against requirements of the role
- ◆ Overall fit recommendation
- Verbal debrief to ensure candidates fully leverage the assessment results for performance improvement and development

The power of prediction – that is the CMP Executive Assessment Advantage.

Driven by Meaningful Impact and a Level of Change -Terry is mission-oriented and should be loyal to the organization, team and work. He is most engaged around big ideas and the opportunity for cycle-up impact.

Risk Adverse with Slower Pace of Change -Terry can be challenged to navigate ambiguity and make decisions without full data. He is predisposed to be tentative to make strategic decisions where there are tradeoffs vs clear right and wrong answers. He can be tentative and risk

Possible Gap/Risk

Lower Ability to Evaluate Arguments-Terry can be challenged to evaluate arguments based on relevance and strength of supporting evidence; and is likely to be challenged to analyze information objectively, without allowing preferences or emotions to influence evaluations. Moderate Collaboration - Terry will circulate and build relationships, however, he may not value the input of others and can be competitive. He may not actively support the success of his peers.

Overall: Terry Sample is relationship-oriented leader who is able to build teams and performance, manage in a planful manner, and be a steady and optimistic presence in times of change and challenge.

Terry can suffer from some analysis-paralysis and risk aversion and will be challenged to evaluate arguments and alternatives in an objective manner. These are material issues that should be considered, and managed if Terry is given the
