Built for Research Institutions

ProposalCentral Plus provides institution officials with a set of premium capabilities inside ProposalCentral that boost grants management efficiency.

Key Capabilities

The following capabilities are included with ProposalCentral Plus.

Automated notifications for new funding opportunities

When a grant maker posts a new program to ProposalCentral, you'll receive an email notification with the grant details.

Centralized dashboard to track all ProposalCentral grant activity across all your institution profiles

Many research organizations maintain multiple institution profiles in ProposalCentral. With ProposalCentral Plus, you can track all awards, awardees, and applications (past and present) from a single dashboard.

Immediate access to all submitted applications

Stay on top of your researchers grant seeking efforts. Receive email notifications and gain immediate access to any applications started by our researchers across all your institution profiles.

Automated notifications for deadlines and overdue deliverables

With ProposalCentral Plus you will receive automated notifications for any upcoming deadlines as well as any overdue deliverables. In addition, you're able to email the researcher to remind them of any upcoming milestones, directly from the ProposalCentral Institution Dashboard.

Our Clients & Partners

Altum is proud to work with excellent clients and a group of wonderful partners. It's our privilege to help organizations achieve their missions so that they can make an even larger positive impact on the world.

Trinity College The University of Dublin

EMORY UNIVERSITY

VANDERBILT UNIVERSITY MEDICAL CENTER

Children's Hospital of Philadelphia

Memorial Sloan Kettering Cancer Center

> **ProposalCentral Plus is brilliant. It gives me advance notice for when things are happening so I can plan my day better. The system alerts me whenever we have a new application. And the product is just easy to use. The lay out is great."**
>
> — **Gill Marmelstein**, Research Projects Officer, Trinity College Dublin
