This form must be completed for each account number held in your name with the credit union. **Please note that only the primary owner may sign to authorize access and preferences.**

Other Preferences that apply to the Telephone Teller Audio system only:

Transaction Preference – Your account is automatically set for withdrawals and transfers (the maximum usage of the Telephone Teller). If you prefer to restrict the activity of your account to inquires only or transfers only, you may do so by circling your preference below. Account to Account Transfers cannot take place if your account has limited preference capabilities.

Inquires Only

Transfers Only

Language Preference - all accounts are set in English mode, but may be changed to Spanish by using Service Code 46 on the Telephone Teller. Language Preference may be changed at any time with Service Code 46.

Interaction mode – Touch & GO has two (2) modes of operation from which you may choose. Mark the box on the mode best suited to you or use Service Code 47 to change the mode through the Touch & GO System.

Expert Mode – Is the fastest way for you to use Touch & GO. You must know the service codes you want to use. A list of the service codes is provided on our wallet size Touch & GO brochure.

Menu Mode – Allows you to choose transactions from a menu list given by an automated voice each time you call.

Statements or account summaries are available by fax. We can preset the fax number(s) you list below or you may enter the fax number at the time of your request. Home Fax: _____ Office Fax: _____

The preset fax numbers may be changed at anytime by using the appropriate service code on Touch & GO (Home Fax Code 42 – Office Fax Code 34).
