

RITUAL

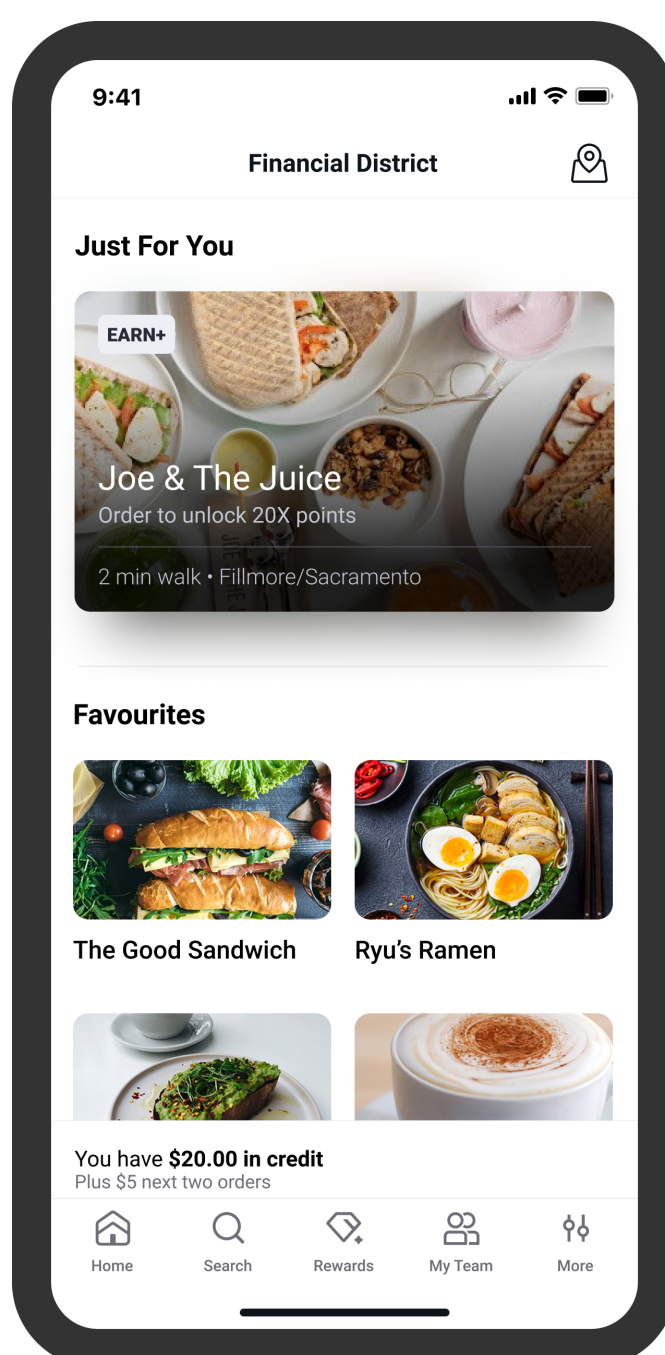

Receive orders from Ritual app users fully integrated through Olo Rails.
Restaurant menu setup and management is effortless through this integrated partnership.

What is Ritual?

Reach Local Customers

Find new customers with no marketing spend on the Ritual app.

Customers and 250,000+ company teams use Ritual to order ahead and pay for takeout orders from nearby restaurants, coffee shops, and cafes.

Automated Marketing

Acquire new customers and keep them coming back with Ritual's Loyalty+ program and Ritual Offers.

Social Media Ordering

Engage your customer base by adding Instagram Food Ordering to sell through your profile.

Effortless Setup & Management

Orders are sent directly to your POS. Your menus, prices and operating hours are always up to date and accurate.

No setup cost or monthly fees.

Only pay commission when you receive orders.
