

See the retina from a Safe Distance.

- Less than 1/2 second
- Single-capture
- 200 degrees

Optos helps you see and document the retina with no face to-face interaction. **optomap®** single capture UWF imaging has been shown to increase practice flow and patient engagement.

Now offering new promotional IDOC discounts for new and existing customers

You choose:

- First 6 months financing at \$99, Optos pays next 6 months or \$10,000 cash back on capital sale purchases
- \$99 for first 6 months followed by \$499 for months 7-12 followed by 42 months on rental agreements

Keep your staff and patients safer with optomap
