## GAMES ROTATION

This rotation is meant to be flexible for your church environment.

You have several options.

- These games are designed in a way that could be used inside or outside.
- For outdoors, you will need a large, open space with secure boundaries.
- For indoors, we suggest an open space that's free of chairs or tables.
- Prepare for as many games as your resources and space allow.

"God made you to do important things that can change the world around you. When I ask, **who can help you change the world around you**, you say, [*Bottom Line*] **God can help me change the world around me. Who can help you change the world around you? *Before the Activity:*

“Hi, friends! We’re going to use our parachute/sheet to create waves! Today in our Bible story, we learned that God made the whole world—including the ocean and waves. Now, it’s our turn to make some waves.”

*During the Activity:*

“Can everyone grab a handle/side of the parachute/sheet? Great job! Now, let’s make little waves. Now, let’s start to make some bigger waves by shaking it even more. Now, the biggest waves of all! Let’s hold the parachute/sheet way over our heads and now sit down! Wow! That was such a big wave!”

*After the Activity:*

“Great job, friends! It was so much fun making waves together. God made the ocean and everything in it, and God made you! God made you to do important things that can change the world around you.”
