**From strategic counseling to representation in regulatory compliance, transactional, or litigation matters, Mansour Gavin's team of healthcare attorneys leverage their legal experience to help our clients accomplish their goals and succeed.**

Our experienced team of healthcare attorneys represent healthcare organizations and individual providers. Our clients are physicians, MSOs, medical practices, dentists, assisted living facilities and nursing homes. We advise on wrongful death, medical malpractice, regulatory compliance, employment, wage and hour claims, corporate governance, transactional and purchase and sale of the business, real estate matters and other legal issues unique to the space.

We help doctors and dentists to structure practice ownership and assist with due diligence of the purchase, analyzing financials and profitability of the practice. We assist medical professionals in every step of their career, advising them on various day-to-day operations, employment, non-compete, and various contracting issues. We help with financing, refinancing, HUD loans, and other related issues. We provide legal guidance for buy-ins and buy-outs, draft complicated partnership, operating and shareholder agreements.

## **We advise our clients on complex healthcare matters, including:**

**Business matters:** Business formation and reorganization, corporate governance, compliance policies, contract review, mergers and acquisitions, partnership buyouts/buy-ins, valuation analysis, leasing and real estate acquisition or disposition

**Regulatory Compliance and Licensure:** Compliance review and audits, applications, denials, renewals, reporting

**Employment Issues:** Employment contract review, development and analysis of compensation arrangements, policy review, credentialing, termination, independent contractor agreements, harassment claims, disciplinary action, retaliation, employment and contract disputes, wage and hour disputes

**Professional Liability:** Medical malpractice, civil and criminal negligence, litigation, and dispute resolution
