

What makes us different?

# ListSecure<sup>®</sup>

## Increase Your Listings.

Our **ListSecure<sup>®</sup>** program makes it possible for you to celebrate higher sales volumes by gaining more listings. It is an industry first, designed to drive sellers to you and away from your competition. Protect your clients and increase your business today with **ListSecure<sup>®</sup>**.

## Protect Your Home Seller.

Home sellers who purchase an America's Preferred Home Warranty for a residential property they sell through you may become eligible for our **ListSecure<sup>®</sup>** program. If their warranty is still active at closing, it provides them with 2 years of additional legal protection. They may receive up to \$1,000 to cover their attorney fees from a post-sale action involving the residential property sold. Documentation must be sent to APHW within 21 days of being served to be eligible.

**Contact your Area Sales Manager for further details.**
