When you provide a homeowner with the **Freedom to Choose Their Own Licensed Contractor**, you give them:

- A contractor who works for them, not the warranty company
- An independent third party evaluation
- A claims process that is personalized, fast and easy

An APHW home warranty offers these and many other benefits. It will also be a powerful tool for increasing your sales. Give it a try, you won't be disappointed! Contact your Area Sales Manager today to learn more.
