

Can I Request an OFCCP Extension?

Once you have received an OFCCP formal Scheduling Letter and Itemized Listing, you are required to submit your Executive Order 11246, Section 503 and VEVRAA AAPs and supporting data within 30 days.

If employers need an extension for supporting data related to the above AAPs, OFCCP may provide a 30-day extension provided that:

- 1** You request the extension prior to the initial 30-day due date for the AAPs
- 2** You submit the following basic AAP narratives within the initial 30-day period after receiving the scheduling letter and itemized listing:
 - Executive Order 11246
 - Section 503
 - VEVRAA

To request an extension, reach out to your local office:
