

# Preparing for TSA

## Why is it important to practise?

The TSA, Thinking Skills Assessment, test is required for entry to certain courses at Oxford, Cambridge or UCL and your TSA result is an important factor in whether you get an offer.

## Course Information

- ✓ 100% online
- ✓ Delivered in English
- ✓ Suitable for ages 16+
- ✓ EtonX certificate
- ✓ Timed Practice Test

Our Preparing for the TSA course will help you develop the skills you need to tackle the TSA with confidence. The TSA is unlike any school test you have taken previously and can prove even more challenging due to the time pressure. We will help you familiarise yourself with all aspects of the assessment, as well as developing your ability to think through problems and arguments critically and logically. You'll also have the chance to complete a timed full-length test to identify the areas you need to work on ahead of the assessment day.
