PREMIUM STEEL WASTE RECEPTACLES

*GB1001 with Recycling
Opening and Custom
Branding*

Premium Steel Waste Receptacles are large-capacity 70-gallon receptacles that functions as a multi-solution waste receptacle that can be used for both waste & recycling. Premium Steel Waste Receptacles can be grouped for corner stations, islands or stand-alone units and are available with 4 top options. All models are constructed from strong, powder-coated steel and include a rigid internal liner and a locking, hinged front door for easy servicing that eliminates overhead lifting. Units are also available with a variety of colored metal side panels and include custom branding. Proudly made in the USA!
