ALUMA ELITE WHIRLPOOL TABLES

A4159

The Aluma Elite Whirlpool Table is built to handle the harshest environments. This new table is fabricated with a rugged aluminum frame that maintains its structure and integrity, while the whirlpool table top and seats are made of a durable phenolic material that holds up in wet environments. Our whirlpool tables come standard with a shelf for added storage capabilities and are available in single or double tub configurations. Custom graphics are included on both ends of the table. Choose the frame and accent color, as well as the phenolic top color. Please specify whirlpool tub brand, model, and dimensions when placing an order.

STANDARD FEATURES:

- Load Capacity: 600 lbs.
- Durable aluminum construction
- Tough powder coat finish
- Rugged phenolic top
- Storage shelf
- Graphics package includes: custom graphics on the 2 ends of the table
