WORKSPACE REINVENTED

OFFICE SOLUTIONS

The world of work is changing. Our mission hasn't. Our focus is on the way you work best, and we provide the resources you need to get work done. We created REV.247 to provide innovative products and solutions to help reinvent your workspace including ergonomic elevating desks, office chairs, and organized storage solutions.

Watch for our launch this fall!

- Elevating desks
- Office chairs
- Filing cabinets
- Stationary tables

IN THE CLASSROOM

Classroom Solutions

We focus on the way teachers teach and student learn. Create your ideal space with functional Classroom/Lab Treatment Tables or our Leg & Shoulder (LAST) Therapy Table and add a mobile workstation for instruction on the go.

Stor-Edge Stationary cabinets or wall/base cabinetry maximizes classroom storage options, and you can add custom branding with your school logo to complete your space.

IN THE ATHLETIC TRAINING ROOM

Wood & Laminate Products

Every athletic training room project has a unique budget and specific needs. The Athletic Edge manufactures athletic training room products made from a variety of quality materials and price points including sturdy oak or maple and durable laminate.

From individual taping seats and cabinets to five-seat taping stations, the configuration options are endless. All taping stations are solidly constructed and fully finished, with several laminate and wood options available. Add an Edge Sport Wood Treatment Table with lift back or split leg cushions to complement your space. Whether you choose a fully customized laminate top or a personalized cushion logo slip cover, we have exclusive custom branding options to make your team room stand out.

CASE STUDY:

Check out our Wood Lockers

AELOCKERS.COM

PACIFIC LUTHERAN UNIVERSITY

"This locker room is a beautiful new space. Re-imagined, aesthetically pleasing, and extremely practical. For that I'm extremely grateful," said Head Football Coach Brant McAdams.

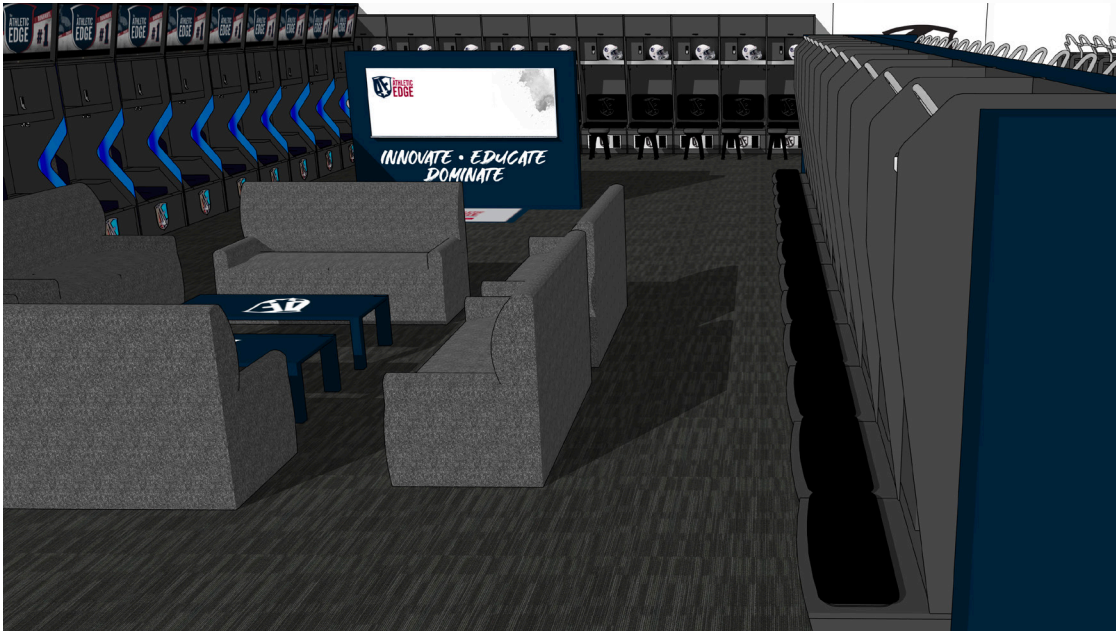

The Pacific Lutheran University athletic department has a new, million-dollar updated locker room facility which proudly serves the Lute football, men's cross country, and men's track & field programs. The renovation project modernized the existing locker facilities inside Olson Auditorium to improve the student-athlete experience and keep Pacific Lutheran University as one of the premier athletic departments in the Pacific Northwest and NCAA Division III.

The Project

The renovation project updated the 50-year old locker facilities that have been in place since the building opened in 1969. According to Jill Cohn, Pacific Lutheran Project and Space Manager, "Lockers had been installed at different times over the years. They didn't match, and they were old and rusty. There were not enough lockers to serve our athletic community."

The new space included the installation of 133 new lockers. The Lutes were pleased overall with the products and services they received from The Athletic Edge. "The lockers are visually beautiful and accommodate all of the football team, and cross country and track and field. It was great that The Athletic Edge was able to accommodate requested custom features into the lockers," stated Cohn. "Some of our favorite features of the new lockers included the custom logo design, custom color, and the customized height for the padded bench."

IN THE LOCKER ROOM

Locker Solutions

Our lockers are specifically tailored to fit your space, style and storage needs. We will work directly with you to custom design your lockers to look, feel and function as you wish. Choose which high-quality materials, cutting-edge features and custom-branding options to include, and we will bring your locker vision to reality.

Steel Lockers

When athletes, firemen, EMTs, police, and others need a locker that's tough, durable and roomy enough to handle all their equipment and gear, they turn to The Athletic Edge's line of steel lockers. Designed and built by experienced craftsmen with years of experience in millwork and steel fabrication, these lockers exceed our customers' expectations with innovative design and unrivaled quality that meet any size or budget.

Aluma Elite Lockers

Our Aluma Elite Lockers are sure to meet the needs of your athletes with their heavy-duty aluminum construction and tough powder coat finish. Each locker features configurable upper and lower storage, seating with a flip up phenolic lid, and ventilated sides. Add options for additional storage and custom graphics to personalize your team room.

Club Lockers

The Athletic Edge is the U.S.'s leading emerging manufacturer of custom club lockers with high-end finishes for golf and country clubs, health clubs, athletic facilities, fitness centers, resorts and day spas. Our range of lockers are built for beauty and durability, with custom options to suit any interior needs.

Phenolic Lockers

The Athletic Edge uses quality materials and innovative design to construct secure, functional, and durable lockers. The Phenolic Athletic Locker Series features straight side, recessed side and cutback side options with multiple configurations available for upper cubby and lower foot compartment openings for versatile storage.

ARMOR ELITE LOCKERS

The Athletic Edge's Lockers are specifically tailored to fit your space, style, and storage needs. We will work directly with you to custom design your lockers to look, feel and function as you wish. Choose which high-quality materials, cutting-edge features and custom-branding options to include, and we will bring your locker vision to reality.

LOCKER SOLUTIONS

Who do we serve?

We pride ourselves in providing only the best quality in locker construction and design to high schools, colleges and professional teams. Working together to bring your vision to life is our mission, and we partner with you to make it happen.

- High schools nationwide utilize The Athletic Edge's design expertise and cost-effective solutions to promote their brand.
- Colleges and universities choose lockers that are durable, high-quality and custom designed. Our design professionals create functionally beautiful products that are unique to your needs.
- Our exceptional customer service and attention to detail are one of the reasons so many professional sports teams select The Athletic Edge for their locker room solutions. Pro teams rely on our ability to deliver high-quality options with custom branding to showcase their facility.

Every budget

We accept the challenge to create fully customizable and specifically designed lockers that can accommodate the needs and budget of any facility. Whether your project calls for one locker or a roomful, The Athletic Edge has you covered.

Quality materials

Every locker room has different needs, which is why The Athletic Edge has a variety of durable materials to choose from including wood, laminate, aluminum, phenolic and steel. Choose from 7 laminate colors, 2 wood options, 7 custom stain options, or add a personalized touch by selecting one of 14 available powder coat colors to make your team room stand out. We use only the highest quality materials and the most innovative design so you can trust in us to provide only the best.

Custom branding options

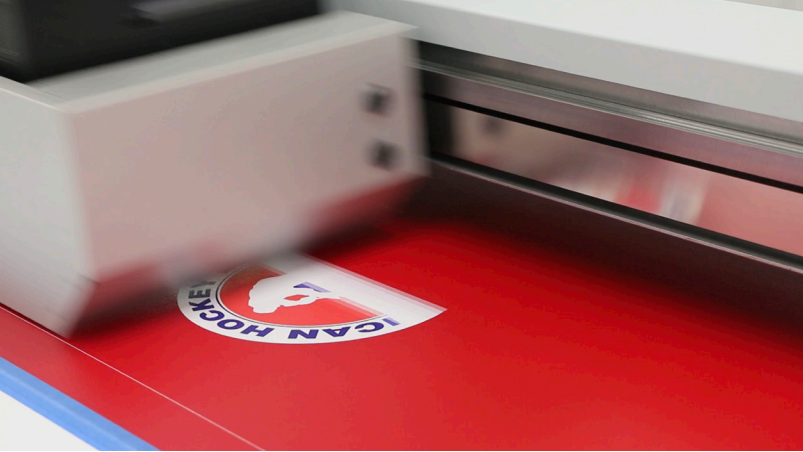

Create a lasting impression. Your school colors and logo reveal your identity, and through our custom designed lockers, we can help to tell your story through high-quality, custom-branded locker solutions. Add colorful decals or a seat cushion with a full color logo to customize the look and feel of your space. We offer deboss and color edge print as custom cushion branding options to showcase your unique brand.
