SIF JAKOBS JEWELLERY IS PROUD TO INTRODUCE
A NEW JEWELLERY LINE

RIMINI

This new collection offers new colours and shapes at affordable prices

Rimini – Welcoming the Rimini collection with new colours expanding the colourful universe of Sif Jakobs Jewellery, and stunning earrings with lustrous freshwater pearls.

Rimini presents beautifully delicate pieces with new colours and exciting sparkling cubic zirconia shapes. Offering a captivating deep olive-green with a slight yellowish tint, purple with rich saturation, beautiful rose-pink, a golden yellow and the gorgeous colour, champagne.

The collection is a variation of earrings, a simple elegant necklace in an anchor chain and charm necklaces as well as bracelets in the popular paper clip chain with playful cubic zirconia. It's the perfect balance between new classics and right on trend pieces.

Are you ready for Summer? It's time to press refresh and update your jewellery style with our new summer arrivals. Our cravings for long summer days, cocktail nights and beachy vibes are at their max and our new jewels are definitely ready to be worn and showed off for occasions like these.

The SJJ Summer 2021 collection is all about getting the best of the best. We have asked and listened to our customers and based on their desires we have designed a variety of new key items that will make you shine all summer.

"Summer is the vibrant season, full of beautiful colours that make you smile. To bring some brightness to the world right now we focused on developing a range of new pieces with exciting new colour combinations." – Sif Jakobs
