

# CAMUNDA COMMUNITY SUMMIT

## 2021

Session Notes:

<Session 10>

Topic: **Working with Camunda Platform & Spring Boot**

Moderator: Simon Ngang & Jan Galinski

Interesting Notes:

the entire Camunda Community for this opportunity.

For the session on Working with Camunda Platform & Spring Boot this is the sample source code <https://github.com/Simoganger/spring-boot-camunda>

High-Level Takeaways:

- 1) Security is important for spring boot and web application
- 2) Know what you're securing and why
- 3)
