

MAXIMUS: Streamlining New Employee Onboarding with Speed & Accuracy in AviontéBOLD

Experience a Better Way to Process I-9s

With more than two decades of I-9 experience and proprietary Electronic I-9 Management Software, MAXIMUS is the industry leader in I-9 processing and verification. Integrating MAXIMUS with AviontéBOLD's paperless mobile onboarding solution will help you:

- Onboard new hires quickly and accurately
- Eliminate common violation risks
- Fulfill hiring compliance

Easy to Use and Fully Compliant

Fully compliant with all U.S. Department of Homeland Security guidelines, MAXIMUS Electronic I-9 Management Software is easy to use. In just minutes, managers can verify each new hire's information and sign the form electronically. Human errors are virtually eliminated with the use of validation checks throughout the solution.

Reduce Risk, Decrease Errors, Increase Compliance

With the Electronic I-9 Management Software, you no longer have to worry about lost forms or forgotten signatures. You can feel confident that you are getting your I-9s done right the first time, saving time and valuable resources. With MAXIMUS integrated as a part of AviontéBOLD's onboarding, you can maximize your I-9 compliance and reduce the risk to which your company is exposed so you can concentrate on what you do best.
