

Brandy (or Whiskey) Sour

Submitted by: Carey Jenkins, CEO

2 fl oz of cognac (or whiskey)

1 fl oz of fresh squeezed lemon juice

1/2 fl oz of simple syrup

3 dashes of Angostura bitters

1/2 fl oz of pasteurized egg white
(Don't be scared - its worth it!)

Shake all ingredients with ice and strain into a glass with or without fresh rocks. Garnish with lemon slice and a Luxardo cherry or don't. But use a fancy glass.
