

Service Line Warranties of Canada

ONTARIO UPDATE

It's not a matter of "if" a homeowner will need a service line repair, but a matter of "when" – and when it does happen, SLWC will be there to help homeowners through the process and shield them from a financial surprise.

Home Repairs in Ontario, Canada

With total annual home maintenance and repair expenditures averaging \$4.8 billion across Ontario*, it's no wonder homeowners look to SLWC for help.
