RESTAURANTS

Discoveries Restaurant

With open seating and stellar nightly selections, the main dining room is where you'll find your classic dinner favorites, with a deliciously different twist, like gulf shrimp with cognac and garlic or a filet mignon with black truffle sauce.

Windows Café

The daily themed dinner often takes its inspiration from the region we're visiting. Enjoy an extra live station made from local ingredients purchased in port, and speaking of choices, selections change daily.

The Patio and Swirl & Top

Casual "pool grill" by day. Then, fine tablecloths and flickering candles set the mood for a sit-down dining experience by night. Taste your way around the world with exclusive dishes using local flavors of the places we visit. And for a little touch of whimsy, a self-serve frozen yogurt station—Swirl & Top.

Mosaic Café

Comfortable and stylish, Mosaic is the place where you'll find your favorite coffee drinks, just the way you like. Try the Nespresso specialty coffee (for a fee). Slip into a comfortable seat and sip for a while.

Aqualina*

Here, you'll find some of Italy's most celebrated local dishes as well as contemporary inventive cuisine. You won't be able to say no to the famous desserts: marsala custard, lemon soufflé, or tiramisu.

Prime C*

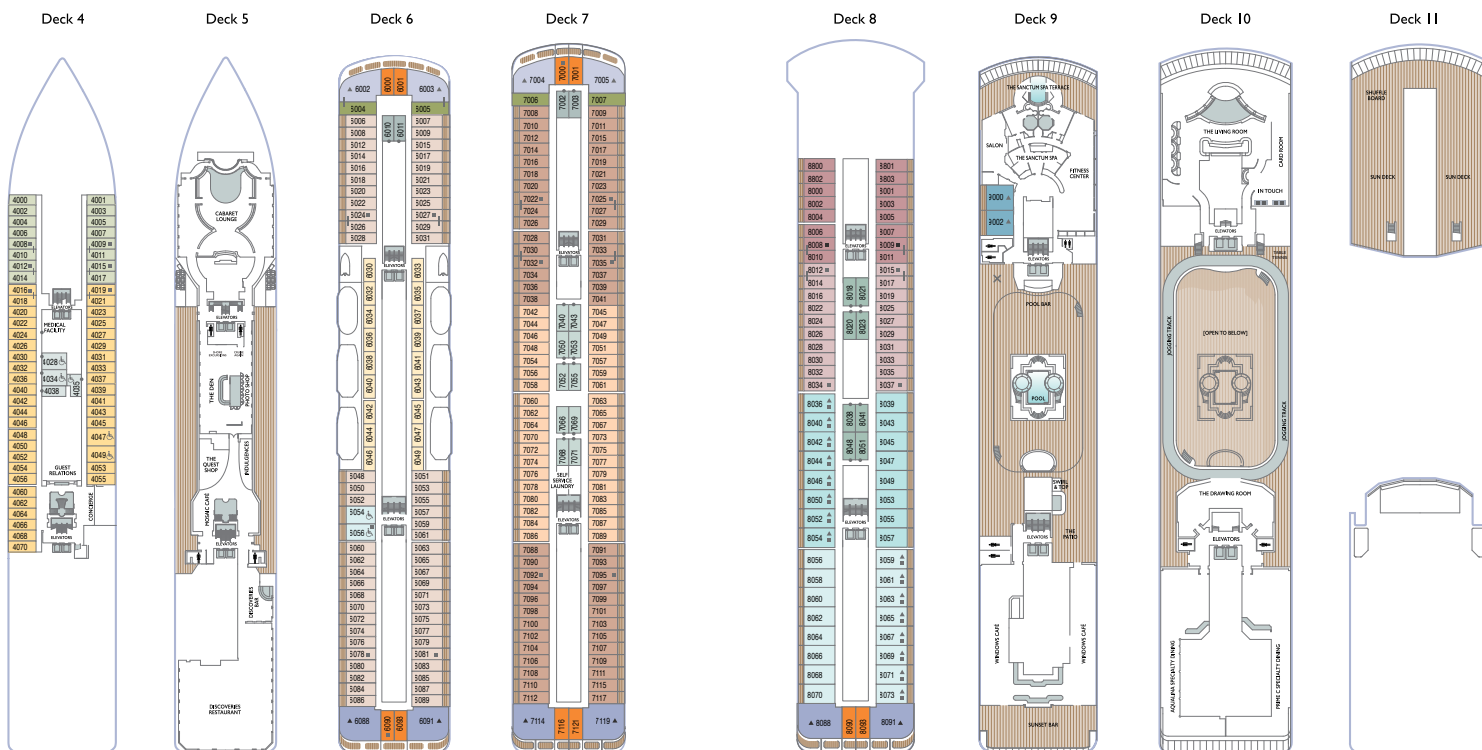

At Prime C, you're in for more than an array of delectable dining. Expect a marvelous evening in a warm wood-paneled ambiance with stunning views and lush décor. And, if the chef has made a visit to a local market while we're in port, you'll also have an authentic local dish, made just for you.
