GRUNDARFJORDUR

Dramatic scenery and curious communities coalesce on this week-long circumnavigation of Iceland.

Explore a country few people will ever visit, and go far beyond the tourist hotspots to remote fjords, raging waterfalls, hot springs and small fishing villages. Get to know the independent and creative Icelanders, and watch whales, Atlantic Puffins, Arctic Terns and other seabirds play offshore.

Join us on a Vacation Stretcher and witness the beauty of Gullfoss, Golden Waterfalls, step into a glacier or walk on the continental divide when visiting Thingvellir National Park, a UNESCO World Heritage Site, or pay a visit to the famed natural spa 'Blue Lagoon' for a soak in the volcanic, mineral-rich heated waters. This is yachting at its most inventive.

Airport transfers, optional excursions, ship services such as boutique, spa services, internet access, alcohol such as wine, beer, cocktails and other incidentals.

The *Star Pride* is part of a \$250 million dollar renovation of Windstar's three Star-classed ships. They've added more suites, all new bathrooms, two more dining options and much more.

Wind Star features wide open, teak decks—quite unusual for small ships. You'll find hidden nooks for private moments and the feeling of being on your own private veranda.

With only 312 guests, a *Star Pride* cruise will make you feel like you're on board your own private yacht almost as soon as you step aboard. The sitting area of your spacious, newly refurbished suite gives you an expansive ocean view—making it a welcome retreat. When you're ready to make an appearance, the lounges, club, and library are waiting to be explored. Take some “me” time in the tranquil World Spa, enjoy a dip in the pool, work off that decadent dessert in the Fitness Center, and, of course, you are always welcome to visit the Bridge to examine navigation charts with the Captain. *Star Pride* is large enough to pamper and entertain you, yet small enough to tuck into delightful tiny harbors and hidden coves that others can't reach.
