Few places on earth can lay claim to such superlative natural wonders as Africa. Located on the southernmost tip of the African continent, South Africa has several distinct ecosystems. Inland safari destination Kruger National Park is populated by lions, leopards, rhinos, elephants, and Cape buffalo. The Western Cape offers beaches, lush wine lands around Stellenbosch and Paarl, craggy cliffs at the Cape of Good Hope, forest and lagoons along the Garden Route, and, beneath flat-topped Table Mountain, the cityscape of Cape Town, one of the world's most beautiful cities. From almost any vantage point, you will see a mountain or an ocean, and very often both. Having the opportunity to experience such diverse parts of a country in one vacation makes Olivia's South Africa & Safari Adventure a trip of a lifetime.

Monday, May 2, 2022 | Cape Town

Welcome to Cape Town. Sheltered beneath the familiar shape of Table Mountain, Cape Town, known to be gay and lesbian friendly, is the birthplace of modern South Africa as well as a historic port with a vital role in overseas trade between Europe and the East. Perhaps the most picturesque city in all of Africa, Cape Town presides over a coastline of stunning grandeur, mountains rising above the seashore, and romantic, outlying vineyards whose proprietors have been practicing the art of winemaking since the 18th century.

Cape Town is home to the best of everything—museums, restaurants, hotels, and natural beauty. The recent addition of a convention center, film studios, theaters, and a number of new business establishments are evidence of the tremendous expansion the city has undergone in the last few years. And thankfully, such progress hasn't tarnished Cape Town's old-world appeal. It has the aura of a place where adventures begin. Your complimentary authentic safari hat will be waiting for you in your room.

This evening before your Welcome Dinner at the hotel, you will have the opportunity to learn about cheetahs before heading out on safari! Cheetah Outreach is an education and community-based program created to raise awareness of the plight of the cheetah and to campaign for its survival. A ranger will bring one of these beautiful animals to the hotel. You will learn, visit and can take photographs with one of these beautiful animals. Overnight at the Table Bay Hotel. (-/-/D)

Tuesday, May 3, 2022 | Cape Town

After breakfast at your hotel, you will go off on an Orientation tour which is a great introduction to Cape Town that will take you to Table Mountain, a highlight of any visit to Cape Town. Ascend to the top of the mountain, weather permitting, by the state-of-the-art cable car and marvel at the breath-taking views over the city and its beaches. On a clear day it is even possible to see Robben Island where Nelson Mandela was imprisoned. Afterwards, we walk through the Bo-Kaap, formerly known as the Malay Quarter, with its 18th-century flat-roofed houses and mosques, the residential area of descendants of Malay slaves.

Lunch will be at the retro Grand Café, in the harbor overlooking the ocean, followed by a visit to the famous Kirstenbosch Botanical Gardens, an aromatic oasis for the senses that was bequeathed to the nation by Cecil Rhodes on his death in 1902. Set on the eastern slopes of Table Mountain, the gardens are devoted almost exclusively to indigenous plants, and contain about 9,000 of southern Africa's 22,000 exotic species. The newly constructed Centenary Tree Canopy Walkway is an innovative steel and timber bridge that winds into and through the trees and bursts out above the canopy, giving remarkable panoramic vistas of the surrounding mountains, garden, and Cape Flats. Dinner is in the city is included. Overnight at the Table Bay Hotel. (B/L/D)

Wednesday, May 4, 2022 | Cape Town

After breakfast, you will be off on tour to Cape Peninsula National Park. Cape Peninsula National Park is truly stunning—walking trails, low hills, and wide beaches—and a surprising variety of wildlife congregates here: eland, ostrich, bontebok and baboons, among others. Cape Point offers a viewing platform that looks out to False Bay and the Hottentots Holland Mountains. As you hear the stories of this fascinating place—ghosts from centuries of shipwrecks said to inhabit the shores—you marvel at its beauty as well.

Next, you'll enjoy lunch at a seaside restaurant, and then motor to nearby False Bay—home to almost 3,000 African penguins which congregate amidst the rounded rocks and fish-filled bay. It is one of the few sites where this fascinating bird (*Spheniscus demersus*) can be observed at close range, wandering freely in a protected natural environment. Dinner is on your own. Overnight at the Table Bay Hotel.

Thursday, May 5, 2022 | Cape Town

Today after breakfast, you will go off on one of the five included excursions below. Prior to this morning, you will be asked to choose one the five included excursions below that all include lunch. *(Minimum and maximum participation is required per activity.)* The afternoon is on your own to explore Cape Town.

Surf Lesson at one of Cape Town's Famous Beaches: Enjoy a morning at the beach for a surf lesson at one of the area's famed beaches. All gear will be included.

Visit to Robbin Island: Visit the notorious prison where Nelson Mandela was held for so many years via public ferry.

The Red Hill Library and Community Centre: Tucked away on the verdant seaward side of the glorious Old Cape Road, south of Cape Town, past the imposing Steenberg Mountains and lovely Simon's Town, on the way to the Cape of Good Hope, is the community of Red Hill, whose 1,500 makeshift households are blessed with wonderful views, bright community spirit, and not much in the way of community services. That place is AmericaShare's Red Hill Library and Community Centre, a joyful place for a town with a single part-time clinic, 37 per cent unemployment, and no school for its more than 2,000 school-age kids, who have to take long bus rides to state schools in the vicinity.

Seal Island Excursion: This morning you'll board a vessel for the short voyage to Duiker Island. Commonly called Seal Island by locals, the island is situated at the base of the Sentinel Peak just outside the mouth of the bay. This is year-round home to a colony of approximately 6000 Cape Fur seals. Enjoy close-up views of these curious creatures from the boat as they revel in their natural habitat. You are surrounded by breath-taking mountain and sea views as you cruise back to Hout Bay.

The afternoon is free to explore Cape Town on your own. Maybe get a little shopping in or visit the gay and lesbian district, De Waterkant! This evening say farewell to Cape Town at the famous Gold Restaurant. Start your evening with an interactive Djembe drumming session which will get you in tune with African rhythms and songs for the rest of the night. Thirty minutes of vibrant playing of the drums will ensure an energized start to your evening. As you enjoy the ambiance of the beautiful African décor, a set menu consisting of Cape Malay and African cuisine will be served by one of the beautifully adorned member of staff who will explain each dish and from which country the dish originates. Overnight at the Table Bay Hotel.
