## WHALES & SEA OF CORTÉZ ADVENTURE CRUISE

JANUARY 28-  
FEBRUARY 4, 2023

on board *Safari Voyager*

SAN JOSÉ DEL CABO  
| LA PAZ | ISLA SAN  
FRANCISCO | ISLA BAHÍA  
AGUA VERDE | BAHÍA  
MAGDALENA | LOS  
ISLOTES | ISLA PARTIDA

Often referred to as Mexico's Galápagos, Baja has one of the richest populations of sea life in the world. We'll be aboard a beautiful ship—and in true expedition style, we'll enjoy a flexible itinerary so we can see the best of what each day offers. Not only is this the best time to view a variety of sea life in the Sea of Cortez, it is the BEST time to view gray whales and their babies; these whales are very curious about humans and will sometimes come to the boats and allow themselves to be touched. Onboard naturalists will educate us about the wildlife as we watch for whales and dolphins, hike, swim, kayak, paddleboard, snorkel with sea lions, and bird

**On past Olivia trips, we have seen over 50 whales—including blue (the world's largest mammal), humpback, pilot, sperm, and others—and several schools of dolphins, numbering from 500 to 2,000 in each superpod!**

#### San José Del Cabo and La Paz (embarkation)

Bienvenidos! You will be met at the Los Cabos International Airport and brought to our San José del Cabo hospitality area. You will be joined by your Olivia Cruise Director and expedition team, who during our overland trip to La Paz will acquaint you with the dramatic Baja landscape and plans for the week ahead. The captain and crew will welcome you aboard just in time for a cocktail and dinner with your new mates.

### Sunday, January 29, 2023

#### Isla San Francisco

In a playground of steep red bluffs and sweeping desert beach, kick off your week-long adventure with a day of play. Don some flippers for a snorkel among colorful sea life, put on your walking shoes for an exploratory hike, grab a paddleboard, or relax on the beach with the sand between your toes. The rugged beauty of the island makes it an ideal spot for escapades.

**Monday, January 30, 2023**

### **Bahía Agua Verde**

At Bahía Agua Verde, clear waters are bordered by sparse craggy mountains hemmed in green. Explore the coast by small skiff, visit with a local ranchero and his family, and take to the canyons and mountains on a burro ride to experience the “real Baja.” Scenic vistas, outstanding exploration, excellent birding, and unmatched camaraderie—a day well spent.

**Tuesday, January 31, 2023**

### **Marine Life Search at Bahía Magdalena**

Mother Nature is your guide today. The gray whales arrive each year on Baja's west coast—migrating more than 12,000 miles—to calve in Bahía Magdalena. Dock in Puerto Escondido, then drive across the peninsula to ride in a panga and observe these mammals and their babies in the lagoon.

### Wednesday, February 1, 2023

#### Captain's Choice

While it's unlikely you'll find any black pearls, today you'll sail amongst islands once explored by early conquistadors. Your expedition team will be at the ready with more adventurous options to choose from: kayaking, hiking, paddleboarding, or beachcombing. Discover nature's diversity and learn about the geologic forces that formed these islands.

### Thursday, February 2, 2023

#### Los Islotes and Isla Partida

At Los Islotes—a steep craggy seamount leaping straight from the sea—observe a sea lion colony from the boat and skiff, or slip into a wet suit for an early morning snorkel with curious, agile young sea lion pups. Afterward, we'll heave anchor and set sail for Isla Partida, for an afternoon of water play or island hikes along desert beaches or into rocky arroyos.

### **Friday, February 3, 2023**

#### **Isla Espiritu Santo/La Paz**

Tuck into a secluded cove surrounded by long fingers of red rock and a golden beach. Spend your last full day enjoying the feel of warm sand under your feet on a beach walk, investigating nooks and crannies in the rocks by kayak, or exploring a little further afield on a guided hike. Celebrate your week at tonight's special Farewell Dinner with an entertaining slideshow by your expedition team.

### **Saturday, February 4, 2023**

#### **La Paz (disembark and San José Del Cabo)**

After breakfast, we'll say Adios to La Paz, as you are returned to the San José del Cabo airport or host hotel.
