Berlin Wall

Berlin, Germany's largest city and capital, dating back to the 13th-century, has reminders of the city's turbulent 20th-century history with the Holocaust Memorial and the Berlin Wall's graffitied remains.

Today, Berlin's combo of glamour and grit is bound to mesmerize all those keen to explore its vibrant culture, cutting edge architecture, fabulous food, and tangible history. This is a city that staged a revolution, was headquartered by the Nazis, bombed to bits, divided in two and finally reunited—and that was just in the 20th century!

Berlin is a big multicultural metropolis but deep down it maintains the unpretentious charm of an international village. Locals and expats follow the credo 'live and let live' and put greater emphasis on personal freedom and a creative lifestyle than on material wealth and status symbol. Cafés are jammed at all hours and the food scene can't be missed! Berlin is pretty big, but its key areas are wonderfully compact and easily navigated on foot, by bike, or with public transportation.

Your cruise package includes a 2-night hotel stay in Berlin May 22-23, but you can extend your stay to explore more of what this city has to offer on your own with our 2- and 1-night hotel packages.
