Budapest

Consistently rated as the *Best European Destination*, Hungary's capital, Budapest, is bisected by the River Danube. Its 19th-century Chain Bridge connects the hilly Buda district with flat Pest. A funicular runs up Castle Hill to Buda's Old Town, where the Budapest History Museum traces city life from Roman times onward.

The central area of Budapest along the Danube River is classified as a UNESCO World Heritage Site and has several notable monuments, including the Hungarian Parliament and the Buda Castle. The city also has around 80 geothermal springs, the largest thermal water cave system, second largest synagogue, and third largest Parliament building in the world. All of this creates the dramatic skyline Budapest is known for making it one of the most photographed cities in Europe.

A visit to Budapest would not be complete without visiting the Central Market Hall! Known for paprika, you'll also find beautiful fruits, vegetables and meats as well as laces, leather, porcelain, clothing and a food court to experience a *lángos*, a deep-fried delight that can be prepared sweet or savory.

With so much history and culture to experience, extending your stay in Budapest with Olivia is an opportunity you won't want to miss!

ABOUT YOUR TOUR

Hollókő Village

Jewish Quarter, Great Synagogue

Savory Lángos with Sour Cream & Cheese on Fried Dough

FULL-DAY HUNGARIAN COUNTRYSIDE & HOLLÓKŐ VILLAGE TOUR WITH LUNCH (1- and 2-night packages)

After enjoying your final breakfast on the boat, you will disembark and board your coach for your next adventure, to the Hungarian countryside.

You will head out of Budapest to Hollókő, a little village that has been a UNESCO World Heritage site since 1987. This two-street village is nestled in a tranquil valley and offers a unique insight into what life used to be like in rural Hungary before the 20th-century and where you can find many locals still dress in traditional Hungarian folk-culture tapestry belonging to Paloc people. Since the 13th-century, the village has burned to ground several times, but the residents always rebuild their homes exactly the same way; in the traditional wattle and daub.

Here you will see locals baking mill brioche, a traditional pastry, which you will then be able to taste before enjoying lunch on a horse farm with local music and dancers. After lunch, you will watch a traditional performance by local cowboys and then get a tour of the stalls and learn more about the culture and Paloc people way of life before boarding your coach back to Budapest.

You are free to enjoy Budapest on your own this evening.

ABOUT YOUR OPTIONAL TOURS

Besides the included tour with the 1- and 2-day stretchers, we will offer a few optional tours during your free-time. These tours may include a group dinner on the first evening, a tour to the wine country, a walking tour of the Jewish quarter and Synagogue with a local Jewish lesbian or other fun options. More information about these will be available in your final documents. These tours will be available to book and pay for on the ship, prior to our arrival in Budapest.

There is plenty to do, see, eat, and experience in Budapest. We highly recommend that you make the most of your stay and choose the 2-night stretcher, partake in a few of the optional excursions and choose the 1-night extra to enjoy Budapest on your own and perhaps partake in “women-only day” at the Rudas Spa. Our local staff can assist you with your plans, transportation, and maps.
