Start your adventure in the “City of Love” before our riverboat cruise. The capital of France, Paris’ 19<sup>th</sup>-century cityscape is traversed by wide boulevards and the River Seine. Beyond being known for landmarks such as the Eiffel Tower, the 12<sup>th</sup>-century Gothic Notre-Dame cathedral, and Arc de Triomphe, the city is known for its café culture and designer boutiques along the Rue du Faubourg Saint-Honoré.

Paris’ monument-lined boulevards, culture, museums, bistros and boutiques filled with styles that have put the city’s fashion prowess in the forefront of the industry, is a must see at least once in your lifetime!

Start your vacation off experiencing the best of Paris, exploring its streets, sampling French pastries and chocolate and see the sites that only Paris is known for with Olivia!

#### ACTIVITY LEVEL: IMPORTANT

These pre-cruise stretchers do require a **MEDIUM** level of mobility as the tour is mostly by coach, however you must be able to get in and out of the coach on your own and walk up to a mile over uneven surfaces such as cobblestones and standing for extended periods of time. If you have limited mobility but feel you are still able to meet the activity level requirements, you are required to travel with someone who can assist you.
