ABOUT YOUR TOURS

APPENZELLER CHEESE FACTORY

Enjoy a lovely morning drive through pastoral Switzerland to the Appenzeller Cheese factory. We will have an opportunity to see how cheese is made and to sample a bit along the way. After the tour and 5-cheese sampling, we will enjoy a delicious lunch featuring traditional local dishes. The house specialty is homemade cheese quiche, but you can also choose from Swiss sausage (bratwurst) with onion sauce and French fries or cheese noodles with onions and apple sauce. All are delicious!

MAESTRANI CHOCOLATE FACTORY

The only thing better than Swiss cheese is Swiss chocolate, so our next stop is the Maestrani Chocolate factory. Watch a short film about the history of chocolate-making, then take a guided tour through the factory. You will get great insight into the production of their mouth-watering delights, with many opportunities to taste along the way. You will even have a chance to pour your own chocolate bar with your favorite toppings! And, of course, there will be plenty of time to shop for famous Swiss chocolate to bring home to friends (or for yourself)!

**Note that the order in which we visit each place may change*

MOUNT TITLIS

This morning we leave Zürich and head to the Alps! The gondola ride up to Mount Titlis alone is worth the whole trip. Enjoy amazing views and unforgettable photographic opportunities at an altitude of 9,934 ft. Once on the peak you have free time to explore an ice cave, have a snow ball fight, or enjoy a high-altitude lunch. We will transfer to the ship together after our day at Mount Titlis where our adventure will continue as we sail down the Rhine and Moselle Rivers.
