

UNIVERSAL NATURAL GAS, LLC D/B/A UNIVERSAL NATURAL GAS, INC.

RATE CASE EXPENSE (RCE) - MAGNOLIA

RATE SCHEDULE RCE-MAGNOLIA

APPLICABILITY

All jurisdictional customers within the municipal boundaries of the City of Magnolia, Texas (hereinafter called “City”), receiving natural gas service from Universal Natural Gas, LLC d/b/a Universal Natural Gas, Inc. (hereinafter called “Company”).

RCE SURCHARGE

Pursuant to Ordinance Nos. O-2020-009 and O-2022- , the Company is authorized to recover a total of \$ in rate case expenses—inclusive of legal and other expenses actually incurred both by the Company and the City related to the Company’s rate filings—from jurisdictional customers within the City by surcharge at the rate of \$0. /Mcf for a period of approximately sixty (60) months commencing for bills rendered on or after the date (i) the City Council approves this rate schedule or (ii) the Company first begins serving customers within the City, whichever is later. The Company shall cease collecting any surcharges associated with this Rate Schedule RCE-Magnolia for all months after which Company fully recovers the total amount authorized above.

COMPLIANCE REPORT

Upon filing its next base rate case with the City, the Company shall include within that filing a rate case expense reconciliation report detailing the monthly collections under this Rate Schedule RCE-Magnolia by customer class and showing the monthly outstanding balance, if any, for that month. Any over-collections under this Rate Schedule RCE-Magnolia will be netted against the authorized rate case expense recovery in the Company’s next base rate case. Any under-collections under this Rate Schedule RCE-Magnolia will be added to and incorporated within the authorized rate case expense recovery in the Company’s next base rate case.
