WHY CHOOSE ALKOTA

There is no reason that machines need to be complicated to do their job.

Our team of engineers and product developers have been designing, building and improving high pressure cleaning systems since 1964. When you buy an **Alkota** pressure washer, you're buying quality and longevity. It is an investment in the future of your business.

At **Alkota** we believe that simplicity means quality.

Our machines are built with high quality materials the old-fashioned way, by hand. We design and assemble them right here in the heart of the **USA**, so that you know you're getting an American-built machine.

4405XD4 SERIES SPECIFICATION CHART

MODEL DESCRIPTION	
Capacity	4 GPM
Pressure	4000 PSI
Burner	12 Volt
Fuel Consumption	2.5 GPH
Dimensions	30" w x 46" L x 46" H
Shipping Weight	570 lbs

STANDARD FEATURES

- EZ4040 General Pump
- GX390 Electric Start Honda Engine
- 8 Gallon Corrosion Resistant Fuel Tank
- High Limit Temperature Control
- Racor Fuel Filter
- Soft Dampening System for extended Coil life & High Pressure Components
- Stainless Steel Power Platform, Wrapper and Base
- 50 Ft. High Pressure Hose, Trigger Gun and 42" Insulated Wand
- Modular Non-Flat Wheels
- Safety Wheel Brake
- Downstream Soap
- Schedule 80 Cool Touch Coil
- Adjustable front axle for proper weight distribution
- Winterizing valve for protection during cold weather
- Built in wand holder.

OPTIONS

- Adjustable Temperature Control

FOR BETTER CLEANING

Clean Better with Alkota biodegradable detergents specially formulated for high pressure cleaning.

This means you get the best results from your Alkota pressure washer with continuous protection from scale build up in coil, pump and fittings.

This reduces replacement cost and improves high pressure cleaning.
