FOR IMMEDIATE RELEASE

**JIGSAW HEALTH named one of the “Top Companies to Work for in Arizona”
Receiving a high, favorable employee engagement score of 95%**

PHOENIX, AZ (July 2, 2021) – Arizona Capitol Times, Best Companies Group and BestCompaniesAZ announced today that JIGSAW HEALTH has earned a spot on the 9th annual list of *2021 Top Companies to Work for in Arizona*.

This highly selective list is the result of anonymous and comprehensive employee surveys measuring culture, work environment, leadership, and employee pride and satisfaction, combined with rigorous evaluations of workplace practices, policies, perks and demographics.

“This year, 100 companies were selected based on the results of very-high, favorable employee survey scores averaging 90% overall survey results, and an impressive 91% overall employee engagement. This level of performance for Arizona companies is about three times the national average when compared to Gallup’s recent reporting of US engagement at about 33% favorable,” says Peter Burke, President of Best Companies Group. “These winners should be very proud of their Top Companies status, for this presents a powerful opportunity to attract and retain the very best talent.”

“We are honored to be included on this list of leading workplaces in Arizona,” said Patrick Sullivan, Jr. CEO of Jigsaw Health. “I’d like to personally thank our wonderful employees for their role in this prestigious designation, their continued trust and dedication to the company, and their relentless pursuit of excellence and results. Our ability to attract and retain top talent directly contributes to Jigsaw Health’s consistent growth and ability to help people worldwide feel better with our industry-leading Nutritional Supplements.”

The 100 “Top Companies” will be honored at a virtual event on Aug. 24, and the list of rankings will be published by Arizona Capitol Times on Aug. 27.
